FOREWORD

The relationship of colleges to the communities in which they are located has been a changing one from generation to generation and from college to college. Happily, Muhlenberg and its community—Allentown—have had excellent relations from the founding of the College. The community has not only extended its hospitality to the students and faculty but has also been liberal in its contribution to the physical and financial welfare of the College.

The College realizes its obligation to the City of Allentown and the other nearby communities. It aims to give helpful aid and service in community projects and to be a force in the intellectual life and development of its community. To this end the field of the College's activities are continually being broadened.

The Board of Trustees of Muhlenberg takes this opportunity to express its appreciation of the help and aid which the Allentown community has given not only to the College itself but also to the students. We hope and trust that this excellent relationship will be continued and, if possible, strengthened.

GEORGE B. BALMER
President Board of Trustees

WILLIAM S. HUDDERS
ALLENTOWN, PENNSYLVANIA

9 January, 1952

Mr. Everett Thierfelder
Editor of Ciarla
Muhlenberg College
Allentown, Pennsylvania

Dear Mr. Thierfelder:

Sir Richard Livingstone, President of Corpus Christi College, Oxford, speaking from a lecture platform in this Country, recently said that no man in the span of his lifetime can possibly encompass all knowledge, and that the educated man is one who has gained an awareness and an appreciation of that which is first-rate in those fields of knowledge which he strives to make his own.

For more than a century this City has been fortunate indeed to have within its borders the faculty of a liberal arts college. Down through the years these men, with those of Muhlenberg's sister institution, Cedar Crest College, have not only held up to the community that which is first-rate in their fields, but in its churches, the municipal governing bodies of the community, and in civic organizations, they have given of their time and talents to help the whole City close the gap between the ideal and the real.

Certainly these contributions of the teacher from the civic rostrum will continue to be of inestimable value in the future as they have been in the past.

Sincerely yours

William S. Hudders

The Administration

Muhlenberg's faculty was increased by four when her doors opened for the fall term late in September. One of the new faculty members is an alumnus returning now to teach.

The new instructor in the department of Religion and Philosophy is Rodney Ring of Sioux Falls, South Dakota. He is a graduate of the University of Chicago where he received his M.A. in 1950. Mr. Ring is also married.

Andrew S. Bullis, who received his A.B. from Dartmouth in 1947 and his M.A. at Wesleyan in 1949, taught for two years at Wesleyan before joining the Department of History and Political Science. Mr. Bullis is married and the father of one child.

The native Allentonian and 'Berg Alumnus is Dr. Charles E. Mortimer, the new assistant professor of Chemistry. Dr. Mortimer received his B.A. from 'Berg in 1942 and went on to earn his M.S. 1948 and Ph.D. 1950 in Organic Chemistry at Purdue University.

Joining Dr. David K. Spelt in the Psychology Department as an associate professor is Conrad Hess Haagan. He received his V.A. from F. & M. in 1940, his M.A. and Ph.D. from the State University of Iowa in 1943. Before joining the 'Berg faculty, he taught at Pennsylvania College for Women, University of Kansas and University of Toronto. Dr. Haagan, a native of Lancaster, Pa., is married and the father of three children.

Thanks

We, the students of Muhlenberg College, are extremely proud of our school and thankful for the many rich experiences we have enjoyed here. To Dr. Tyson we owe a tribute for his untiring efforts and unwavering loyalty in creating at Muhlenberg the things we hold dear to our hearts. He was the guiding light and moving force to all students during his tenure as President of this institution.

Dr. Tyson, you are gone but not forgotten. We will always remember your warm handshakes and friendly advice. May God and fortune be with you and Mrs. Tyson in whatever venture you undertake.

CLIFFORD S. BARTHOLOMEW, PRINCIPAL
December 20, 1951

Mr. Everett G. Thierfelder
Editor of the Clarla
Muhlenberg College
Allentown, Pennsylvania

Dear Mr. Thierfelder:

For many years Muhlenberg has been a community college. The vast majority of professional people in Allentown have received their academic and pre-professional training at Muhlenberg. One will find Muhlenberg men preaching in Allentown's churches, teaching in its schools and serving in the public offices of the community. In addition to this, many of Allentown's doctors and lawyers are graduates of Muhlenberg. It has not been unusual for the mayors of our city and the judges of our county to name Muhlenberg as their alma mater.

Just as the public high school has given the children of our community an equal educational opportunity, so Muhlenberg has given the opportunity of a college education to thousands of men as well as to many women. There is no doubt Muhlenberg is a community college.

I sincerely feel that Allentown is rich professionally because Allentown is the home of Muhlenberg College.

Very truly yours,

Clifford Bartholomew

Classes

Affairs of the SENIOR CLASS

The pre-Christmas social life of the campus reached a peak with the Senior Ball on Friday evening, December 15, in the Ballroom of the Americus Hotel. Buddy Williams and his "Music for the Millions" orchestra provided the music for the "Snow Swirl." Along with Williams and his group, Kay Justice and the "Two Buds and an Orchid" trio handled all the vocal duties.

As part of the Alumni Weekend, the Senior Class and Student Council jointly sponsored the Graduation Ball. The dance was held at the Hotel Traylor on Saturday, June 2. Matt Gillespie and Billy Butterfield entertained everyone with their captivating tunes.

The President of the Senior Class, Larry Dreeman, presented the Richard Stailey Memorial Book to the Chapel. All the classmates of Stailey signed the book in remembrance of their departed classmate.

Alpha Lambda Omega 4; Spanish Club 1, 2

Affairs of the JUNIOR CLASS

JUNIOR CLASS OFFICERS

First Semester

President RICHARD TEAL

Vice-President FLOYD DECHESER

Secretary JOHN DELISSIO

Treasurer DONALD HOHE

Claude Thornhill and his music-makers provided a pleasant evening of dancing for everyone at the Junior Prom on Friday evening, April 6, at Castle Gardens. The crowning of Miss Peggy Kline as Queen of the class of 1952's Reverie Parisienne was the highlight of the evening. Miss Kline received a watch and bouquet of American Beauty roses. Castle Gardens was decked in the motif of a Parisian boulevard with an eight-foot fountain in the middle of the floor illuminated with multi-colored lights.

Second Semester

President TRUMAN KOEHLER

Vice-President BUD BACHARACH

Secretary JOHN FAUST

Treasurer GEORGE KEATES

WILLIAM BLISS

ROBERT W. CUNLIFFE

CHARLES HUBBS

WILLIAM G. INGOLL

DONALD KENNEDY

FRANCIS H. KREUTZBERG, JR.

Affairs of the SOPHOMORE CLASS

The Soph-Frosh dance committee selected "Harvest Hop" as the theme for the annual semi-formal affair. The dance was held on November 3, in the Frolics ballroom with Lee Vincent and his twelve piece band playing from nine to midnight. The decorations committee captured all the color and beauty of fall in the Harvest Season decorations.

The Sophomores displayed great class spirit as they won the traditional Soph-Frosh events. The Sophomores could not make a clean sweep, however, for the Freshmen were victorious in the hard fought push-ball game.

First Semester

President RICHARD COWAN

Vice-President DAVID NOBLE

Secretary SIDNEY FRANZBLAU

Treasurer JAMES WAGNER

SOPHOMORE CLASS OFFICERS

Second Semester

Affairs of the FRESHMAN CLASS

The traditional Soph-Frosh events were as thrilling and spirited as ever and did a great deal to unify the Freshman Class into a spirited group. Although the Freshmen were not able to win the Tug-of-War, they did give a good account of themselves. Before the contest had gotten under way, the two groups began a mud-slinging free-for-all. This was soon ended. The superior numbers on the Freshman side proved an asset when they won the first pull. However, their victory was short lived, for the Sophomores took over and went on to win the next two pulls and the event.

A Push-ball contest, the first of its kind in the Soph-Frosh perils was held on the Muhlenberg football field. The yearlings cashed in on two tallies in the first period due to their superiority in numbers and won by the score of 2-0. The last event of the series was a touch football game. The Sophomores led by

the score of 6-0 until the last dying seconds when a freshman fell on a fumble in the Sophomore goal zone to knot the score. However, all ties are recorded as victories for the Sophomores. The Freshmen lost two of the three events and with them the privilege of removing their regulations by Hallowe'en Day.

The Freshman class took part in the annual pajama parade and Center Square pep-rally prior to the Lafayette-Muhlenberg football game. The parade was kept well in hand for the first time in years.

CITY OF ALLENTOWN, PA.

DONALD V. HOCK, MAYOR
December 15, 1951

Mr. Everett G. Thierfelder
Editor of the Ciarla
Muhlenberg College
Allentown, Penna.
Dear Editor:

Cities are what men make them.
Therefore, the men behind this edition of the Ciarla are to be commended for stressing the relationship between Muhlenberg College and the Community.

In this respect, I welcome the opportunity to express myself relative to the importance of ACTIVITIES at 'Berg in regard to the life of the community, with emphasis on the future.

The key word for survival, in the estimation of top thinkers today, is PARTICIPATION: participation as a citizen in meeting a citizen's obligations; participation as a Christian in meeting a Christian's obligations. Participation as such represents extra-curricular activity as over against endeavor for a livelihood in one's chosen trade, business or profession.

What better training can one receive for such future participation than by purposeful activity at college through membership in those groups which make demands which must be met.

Congratulations to the men who are both developing and preparing themselves by taking advantage of those organizations labeled "ACTIVITIES."

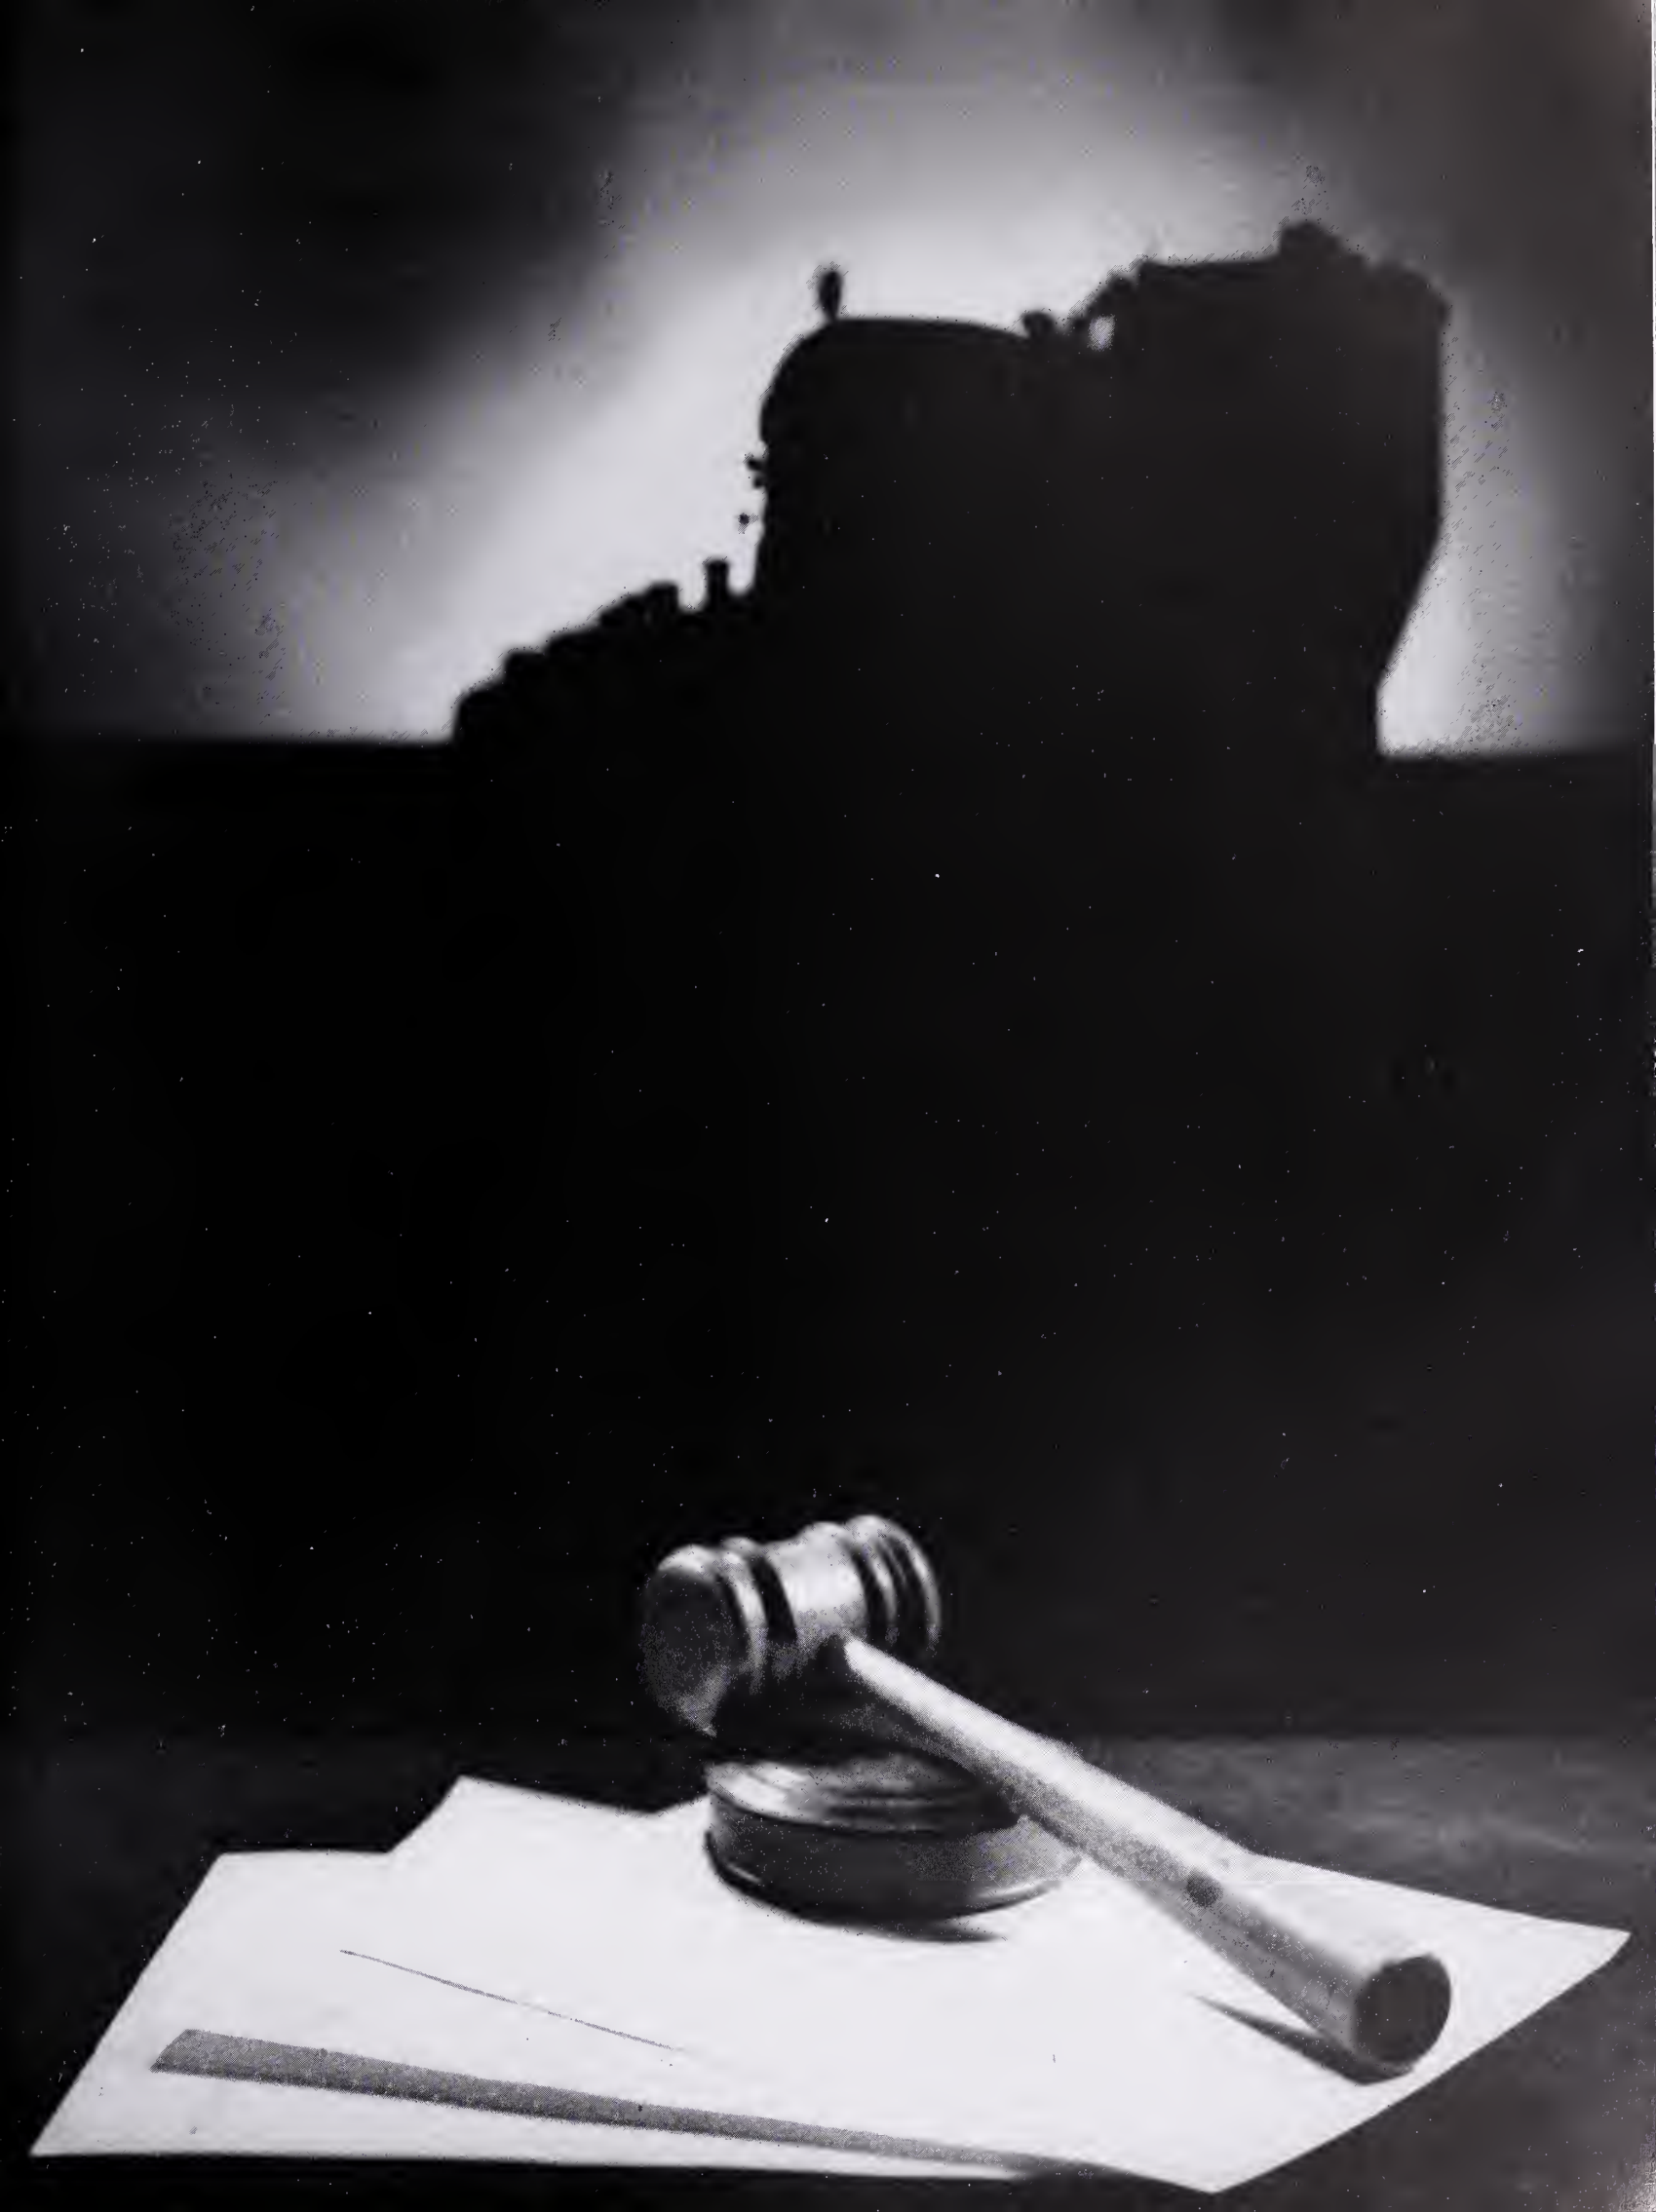

Sincerely yours,

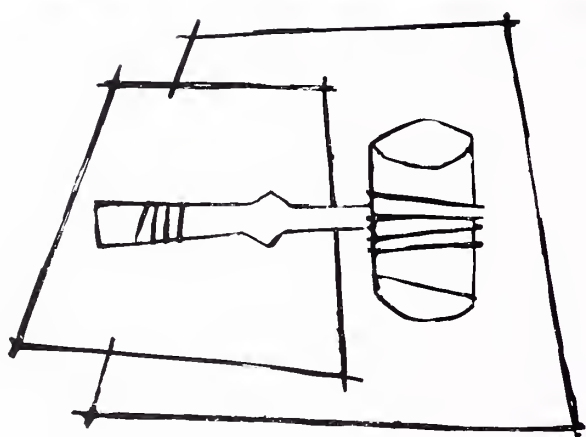

Donald V. Hock

DONALD V. HOCK, MAYOR

DVH:f

Activities

STUDENT COUNCIL

The Muhlenberg College Student Council, the official governing organization of the Student body, is subject only to the statutory regulations of the Board of Trustees and Faculty, as specified in the Student Body Constitution adopted in 1939. Its purpose is to serve as the supreme executive organ for the directing student activity in its many ramifications.

Initial steps toward formation of a student council at Muhlenberg were made in 1910 with the establishment of an advisory group of students. A provisional constitution was drafted, and the precedent for today's highly integrated and active Student Council was established.

Among the activities promoted by Student Council during the year were many entertaining assembly programs and dances. An innovation which met with considerable success was the sponsoring of informal dances held in the newly renovated Student Center. Through the aid and support of the Council the embryo radio station developed into a functioning organization. Continuous promotion of better campus facilities was made. Jurisdiction over student disciplinary cases was maintained. A vital factor in maintaining Student Government was the inclusion of a section in the Bylaws of Muhlenberg College, recognizing the purpose and powers of the Student Council. Student Council has become the most highly recognized student organization. In view of its achievements, this Student Council is deserving of this esteem.

The Muhlenberg Christian Association is a group of students and faculty who are united by a common loyalty to Jesus Christ and who seek to understand the will of God through worship, study and action, and strive to realize it in both personal and social living. The members carry on a program of religious action, social concern, and campus service to further Christian ideals and modes of thinking on the campus.

The program for the year consisted of three types of meetings. First, there were meetings of the M.C.A. executive council and the M.C.A. cabinet. These were largely planning sessions and meetings to inspire the active members to greater service. Second, there were small discussion groups of students and faculty leaders which met throughout the year. This program of luncheon seminars in the college commons proved especially successful. Third, there were large general meetings with outstanding platform addresses or panels devoted to some relevant problem. The student body responded to some of these very well.

The highlight of the year, insofar as religious action was concerned, was the second annual Institute of Christian Living Week held March 4-9 sponsored in part by the M.C.A. Through the I.C.L. Week, many prominent speakers were brought to the campus to guide the students and faculty through a week of concentrated religious thinking. Dr. Joseph Sitler, Dr. George Kelsey, Dr. Gabriel Nahas, and Dr. G. Elson Ruff were some of the participating leaders of this significant week.

To enable greater student participation in the program of the organization and to render it more responsive to student needs, the M.C.A. is divided into four great commissions; religious action, social action, personal and campus affairs, and world relatedness.

The M.C.A. is a member of the Middle Atlantic Region of the Student Christian Movement, which includes all student YMCA's and YWCA's in this region, and through that organization, is a member of the national and international World Student Christian Federation.

FACULTY ADVISOR

Mr. Truman Koehler

The Ciarla is one of the most prized possessions to many Muhlenberg Alumni for it is the connecting link to their college memories. The staff of the 1952 Ciarla has labored diligently to create a book that the students will be proud of and appreciate for many years. The publishing of the book was delayed a few months by a number of unforeseen circumstances. We have enjoyed composing this book however, and hope that you too will enjoy it.

We are very indebted and grateful to the many persons who contributed so freely of their time and talents to help produce this edition. To Arthur Sharp of Horan Engraving Co., our sincerest thanks for your excellent advice and service. A vote of appreciation to the Kutztown Publishing Co. for their help. Our thanks to William Schick for his fine photographic work and to Paul Bosch for his art work. We would also like to thank Mr. Truman S. Koehler for his counsel and advice. To everyone who contributed to the production of the 1952 Ciarla, we are very grateful.

MUHLENBERG WEEKLY

now is the time
for all good m
en to come
to the aid of
the party...

The *Muhlenberg Weekly*, one of the most active student organizations on the Muhlenberg campus, has as its purpose the presentation of an unbiased view of campus life and activities to the entire College community.

This publication first appeared on the old Muhlenberg campus at Fourth and Walnut Streets in 1883 under the title of the *Muhlenberg Monthly*. In 1888, the name *The Muhlenberg* was adopted. Finally, in 1914, when the publication began to appear on a weekly basis, it was christened the *Muhlenberg Weekly*. This name has remained until today.

Even through the days of World War II, when service personnel made up the majority of the student body, the *Weekly* continued to be published regularly. It has long been the pride of the entire staff that the *Weekly* has never missed a publication date in its more than seventeen student generation existence.

During the post-war boom, the editors of the *Weekly* were able to publish quite a few eight-page issues. However, since the reduction in the student body, the policy has been reverted to include mainly six-page issues. During the next year there may even be a necessity that several four-page issues be published in order to maintain a budget based on a student body of six hundred students. With this reduction in space, the editors still try to maintain the same high calibre of material on their pages, which have been present over the years.

The Associated Collegiate Press recognized these efforts when it awarded the *Weekly* its first class honor rating for both the 1949-50 and 1950-51 school years. During the coming year the editors and staff hope to give the added spurt to their journalistic endeavors in order to earn the coveted top superior award.

The highlight of the entire year is the April Fool's issue, which this year was based on the theme of Communism in the American College. The "Weekly Worker" lampooned the various figures and factions of the campus with appropriate quips, especially suited to further the spirit of April Fools.

Every year the *Weekly* sports editor presents the most valuable player awards in football and basketball to those men who have proved to be the team's greatest asset. In the past the selection was made through a student poll. At present the men are chosen through a poll of various sports writers and the coaches of opposing teams. This year the recipients were William Elmo Jackson, football, and William Baker, basketball.

In late March the staff elected its officers for the new year. John Faust and Pete Mourad were selected as Co-editors-in-chief, Bob Godnick was named Managing Editor, and George Pfautz became Business Manager for the 1951-52 school year. The staff banquet was held after the election as a testimonial to the end of a successful administration and the beginning of a new.

ARCADE

The *Arcade*, youngest of Muhlenberg's publications, is also one of the healthiest in the few years since its reorganization, the *Arcade* has developed into a representative student literary organ, increasing its following with each issue published.

Conceived three years before World War II, the *Arcade* was revived in 1947 after a war-time suspension; since that time the number of contributors and the quality of their contributions have increased steadily. In the two issues published in the 1951 and 1952 semesters, artistic and literary creations by Muhlenberg students have contributed to the growing popularity of the publication. Editorial policy established by previous editors have been retained; format only has changed through the years.

The *Arcade* had as advisors during the year Dr. Perry F. Kendig of the English department and Mr. Joseph F. Cantieni of the Art Department.

M BOOK

The "M" Book is the official student's handbook for the Muhlenberg community. It is published yearly during the summer months and issued to the Freshman Class during Freshman Week. Distribution of it to the rest of the student body and to the faculty occurs during the first week of the fall term.

First published in 1923 by the Muhlenberg Christian Association, the "M" Book has remained as the channel through which the regulations of the college and of the Student Council are brought to the attention of the student body. Publication of it was suspended during the war years, but in 1946 the Student Council assumed the responsibility for its renewal.

Brief sketches of all campus activities such as honorary fraternities, social fraternities, clubs, publications, and a schedule of all athletic events for the coming school year are included in each issue. Also included are the up-to-date copies of the student body constitution, dormitory and faculty regulations, and a concise informative background of both the college and the city of Allentown.

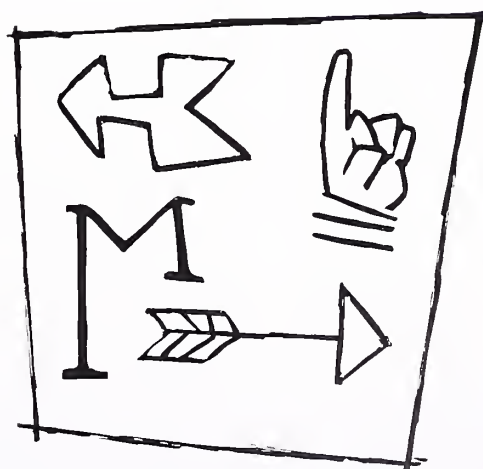

This guide to the Muhlenberg Campus usually becomes the Freshman's first friend at college, and serves as a refresher for the returning student as he renews his campus associations at the beginning of each fall term.

The Cardinal Key Society is a voluntary organization on campus which dedicates its service to Muhlenberg College. A few of the society's services are the following: Ushering at home athletic events, commencement exercises, school assemblies, and Civic Little Theatre plays. In addition to this, Cardinal Keymen serve as guides for all visiting groups that come to Muhlenberg, as well as the incoming Freshmen during Freshman Orientation Week.

The Cardinal Key Society was founded May 28, 1940 by six members of the class of 1942 who thought that an organization for service to the college and for extending of good will to visitors on campus should definitely be established. These Cardinal Key pioneers were George Hawkins, Charles Keim, Edward Wisser, Raymond Turner, William Kuzniak and Robert Laudenslager. They chose Paul Gebert as advisor for the new born society.

The academic year 1950-51 was again a successful one for Cardinal Keymen. Cardinal Key added another job to its already large program. This service was ushering at all four of the Allentown Civic Little Theatre plays during the year. Along with this job and the aforementioned services it is easy to see that Cardinal Key Society is Muhlenberg's official welcome wagon.

Through all these activities Cardinal Keymen strive to serve Muhlenberg in any possible way and to further a lasting favorable impression with all visitors that come to Muhlenberg.

The human tongue possesses the ability to find its way into trouble and by the inverse process talk its way out. It's not an encouraged practice but this year the Forensic Council battled their way verbally on a grand tour of Pennsylvania plus attending the Johns Hopkins Tournament and invading New Jersey to debate with Rutgers. Also on their itinerary were the schools in the Lehigh Valley and surrounding Philadelphia area.

Jack Phillips, (president), Gene Angstadt, (secretary) and (treasurer) furthered the practice of the Freshman Tournament to stimulate interest so that these men will in the following year take active interest in the varsity team.

The topic decided upon was: Resolved that a new international organization should be formed omitting communistic nations. The Forensic Council climaxed the season with a banquet.

The meetings of the Pre-Theological Club, held twice monthly, were varied and very beneficial during the 1950-51 College Year. They were planned to meet the needs of the members in their preparation as candidates for the Gospel Ministry. Speakers for the year included: Dr. Richard C. Klick, pastor of St. Paul's Lutheran Church; Maestro Giuseppe Moschetti, organist at St. John's Lutheran Church; Sister Mildred Winter, Board of Deaconess Work; Rev. Albert J. Fisher, Jr., rector of St. Mark's Episcopal Church, Frankford, Pa.; Dr. G. Elson Ruff, Editor of *The Lutheran*; Rev. Ralph R. Hartzell, pastor of St. Stephen's Lutheran Church; Rev. Leslie Conrad, Jr., Luther League of America; Dr. Elwood Bowman, Board of American Missions. Special features were slides of Japan shown by Rod Kemmer, a dinner meeting at the Good Shepherd Home and the annual banquet held at Shankweiler's Hotel.

The Pre-medical Society was organized through the efforts of Dr. John V. Shankweiler shortly after the establishment of a pre-medical curriculum at Muhlenberg College. The actual organization took place in 1931 with an interested group of pre-medical students as members.

The purpose of the Society is to bring pre-medical students into closer contact with actual medical practice and medical atmosphere, to allow each individual to acquire a personal outlook upon the field which he aspires to enter and to save time and money for a man by giving him the opportunity to decide for himself either for or against the medical profession as a career.

The Society held bi-monthly meetings with such persons as Dr. Ludwig, head of the Admissions Committee at Hahnemann Medical School, Dr. Ronis, surgeon at Temple Medical School, Dr. Frances Schaeffer, obstetrician and gynecologist at Allentown Hospital, Dr. Gabriel Nahas, of the Mayo Clinic, Dr. J. L. Appleton, of the University of Pennsylvania Dental School, and others as guest speakers. Several full color motion pictures of actual operations were also shown at some of the meetings.

In addition to the bi-monthly meetings, the Society made a trip to Philadelphia to Temple Dental School and the University of Pennsylvania Medical School, where the members witnessed actual operations being performed. The Annual Lehigh Valley Pre-Medical Society Banquet, held at Cedar Crest on April 18, rounded out the activities of the Society for the year.

MASK AND DAGGER

The Cue and Quill Club was the name for Muhlenberg's dramatic society before 1930. In 1931 the club was reorganized and has been a prominent part of the campus under the name of Mask and Dagger since that year. The club is of the extra-curricular nature designed to furnish its members a first hand account of acting, make up, stage and lighting technique, publicity, costumes, and the mechanics of play production.

The club presents one feature production a semester and occasionally supplements it with one-act plays.

During the fall semester of 1950, Dr. Andrew A. Erskine directed "The State of the Union". In the spring of 1951, Don Markley made his last appearance on the stage at Muhlenberg College a memorable one with his performance of "Othello" in Shakespeare's tragedy.

All male talent in Mask and Dagger is received from the student body of the college. Women's roles this year were filled capably by members of Cedar Crest College and by Allentown girls.

A Muhlenberg alumnus, Dr. Preston A. Barba of the German Department, was the man who was most instrumental in the formation of this organization. It was the first departmental society of its kind to appear on the Muhlenberg campus, when he, together with a number of German students, met in the Spring of 1924 to form Der Deutsche Verein. Throughout the almost three decades of its existence, this organization has provided both pleasure and fellowship for countless students of German.

In the past year, the members of the Verein have followed their usual full agenda of activities. The first event was the Damenabend, or Ladies' Night, when the members and their dates gathered to dance and view one of Dr. Luther Pflueger's Puppenspiele, or puppet shows. The most unique of the Verein's many traditions is the annual Weinachtsfest, which is observed each Christmas. This year's Fest was again a success with such activities as the singing of German carols, eating of countless Yuletide delicacies and the traditional visit by Der Belznickle.

The highlight of the entire year was the excursion, which the members, as well as students of the various Pennsylvania German courses, made throughout the Pennsylvania-German country. Among the places visited on this trip, were the noted Ephrata Cloisters at Ephrata; the Landis Valley Museum near Lancaster; Linden Hall Seminary at Lititz; the Millbach House and Zeller's Fort near Newcomerstown; and Conrad Weiser Park, Womelsdorf. Upon completing the tour the members held their annual banquet at Haag's Hotel in Shartelsville, with a bounteous Pennsylvania-German dinner being served.

SCIENCE CLUB

The purpose of the Science Club is to foster discussion and to promote interests and understandings in the natural sciences. Membership is not limited to science majors; any student at Muhlenberg who is interested in science is eligible for membership. In order that the students may obtain an appreciation for the various fields of science in research and industry, the club endeavors to bring outstanding personalities in the world of science to Muhlenberg for lectures. This brings the club members into close contact with the successful members of the scientific field.

Some of the topics which were considered during the year were these: "Ultra-sonic Velocity of Gases at Low Pressures", "Science Clubs", "The Role Chemistry and Physics Plays in Production of the Products of Western Electric", "Science in Russia", "Atomic Energy", "History and Processing of Portland Cement."

The club also sponsors trips to various places of scientific interest, such as a field trip made during the spring term to the Pennsylvania Power and Light power plant at Sunbury, Pa.

Muhlenberg's own test broadcasting station, WMUH, is an outgrowth of the Radio Club of Muhlenberg College, founded in March of 1948.

Under the guidance of faculty advisers Kendig and Boyer, WMUH has developed to the point where it is one of the active organizations on the Muhlenberg campus. The station serves as a training unit for students interested in the field of radio, as well as a pleasant means of entertainment for the entire student body. Limited to broadcasting only on the campus by the Federal Communications Commission, WMUH is on the air two nights each week, bringing to the students the latest news, campus chatter, music both popular and classical, interviews, and comedy shows.

PETER B. SACHS

Business Manager JAMES EARLY

Chief Announcers .. NATHAN RODNON

THEODORE LITHGOW

Studios have been completed in the basement of the Library Building, featuring a good deal of modern equipment, records, and an atmosphere of a commercial radio station. Underground lines have been installed enabling WMUH to carry on its lunch time "Disks and Data" program in the nearby Student Center Building. This program, while supplying popular music to the Student Center during lunch each weekday, acts as an announcer training course for students interested in this phase of radio work.

The fall term of 1951 found many freshmen expressing their desire to become affiliated with WMUH, thereby insuring the continued expansion of the station. An invitation to join the Inter-collegiate Broadcasting System has been offered the station, showing that WMUH may rightfully take its place among other college and university radio stations.

FRESHMAN TRIBUNAL

The Freshman Tribunal is a judiciary body appointed by the president of the student body, to serve as a disciplinary group, to pass judgment, and place penalties on all infringements of the rules set up by the Tribunal. The purpose of the regulations is to organize the Freshmen into a group conscious of the fact that they are a class. These rules are intended to create class spirit and solidarity. The Tribunal tries to achieve these goals by a variety of means. They hold a meeting with the Freshmen during the first week of school to explain the Tribunal's position and purpose. During the subsequent weeks the Tribunal hands down penalties to the violators of the regulations.

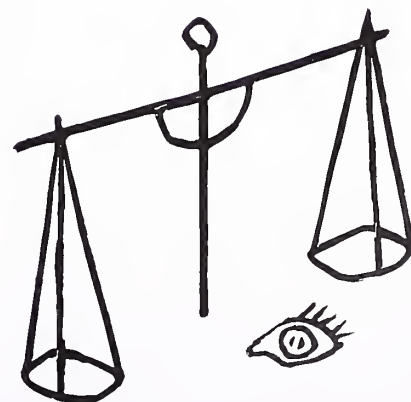

The excellent spirit of the class of '54 attests to the good work of the years' Tribunal.

The Varsity "M" Club is composed of all those athletes who have earned a varsity letter in any sport. Primarily athletic in nature and organized for the purpose of assisting in the development of athletics, the club is also somewhat social in nature. The club purpose is to promote a more harmonious feeling among the members of the various athletic teams, to encourage more students to participate in sports, to raise the academic level of the athletes, and to strive for high standards of sportsmanship.

With the beginning of the school year 1950-51, the "M" club was faced with the problem of reorganization, but through the capable leadership of Fred Peifley and Ted Offner, the "M" club enjoyed a surprisingly successful year. Activities, which were limited because of a lack of funds, included the annual dance in January and the presentation of the "M" club variety show entitled "Follies Bergere", directed by "Misto" Deitz and Al Rubert. This hilarious production provided plenty of riotous entertainment for the audience as well as the cast. A well deserved picnic was held for the cast and all those who assisted in making the show possible.

The year's activities were concluded with the presentation of the "M" club award. A trophy is awarded to the Junior year member who best exemplifies the ideals set forth by the club. The award is given for sportsmanship, scholarship and citizenship. This year Richard "Rip" Boyer won the coveted trophy.

The I.C.G. is a relatively new organization on the Muhlenberg Campus having been set up in the 1947-1948 scholastic year through the efforts of Mr. Charles Hollister. The group is a member of a Political Science Society consisting of member students from about 60 different Colleges and Universities. The high point in the season for the I.C.G. is the annual convention where the students of the different institutions form a model government and learn of the inner workings of our governmental agencies.

The 1950-51 delegation of twenty three men was the largest group that Muhlenberg has ever sent to the annual convention. Student Chairman Henry Johnson led the group which had a successful record as politicians and legislators in the model national congress set up in Harrisburg.

Sigmund Levin, vice chairman of the Muhlenberg group, was elected chairman of the rules committee. Edgar Teter, another Muhlenberg delegate, headed the important Labor committee and also led floor debate for the adoption of his committee's bill. In the legislation field the delegation succeeded in getting five bills out of committee and onto the floor. The entire convention was a success for the Muhlenberg delegation.

--------------------	--------------------

The Psychology Club of Muhlenberg College was founded in the Autumn of 1947. Its programs are open to the entire student body but its membership is restricted to majors in psychology or persons who have completed nine semester hours in psychology.

The Club offers opportunities for a wider student participation in the reading of papers, in group discussions and in field trips. Its programs emphasize what is being done today by psychologists and workers in related fields of study and practice.

These programs are illustrative of the Club's monthly meetings. Mr. Paul Freed of Lehigh University described the work of the Remedial Reading Clinic and demonstrated some of the training and testing devices used in their clinic. At a joint meeting with the Cedar Crest Alpha and Omega Club, Mr. Robert Belding of the Crest faculty presented a paper entitled, "Creative Imagination". At another joint meeting the two societies viewed and discussed a case history film, "This is Robert". Members of the club attended a three day series of lecture-demonstrations at the Allentown State Hospital.

As one of its projects of the year, the Club presented a book of selected papers by Gordon Allport, "The Nature of Personality", to the Psychology Department.

MUHLENBERG DEMOLAY CLUB

Early in 1949 a group of student Masons wished to form a social organization which would foster a closer fellowship among fellow Masons on the campus. These men, realizing that the veteran, who is an older student would not be a permanent member of the student body, wished to form a club which would be more permanent and would be able to benefit the future students of Muhlenberg College. The idea occurred to these original members to organize a DeMolay Club for all DeMolay members enrolled in Muhlenberg; and it was decided that Masons interested in this work could act as advisors to the group.

An organization meeting was held for all interested DeMolay and Masons. As the idea gained enthusiastic support, preliminary steps were taken to formally put the club into operation. Thomas Calnan, a student Mason, was elected advisor. The school year came to a close before much further work could be accomplished.

During the next year the club continued its process of organizing, and it formally began to function when it was recognized by the faculty and the Student Council. Dean "Haps" Benfer became faculty advisor, officers were elected, and a constitution was adopted. The club became known as the Muhlenberg College DeMolay Club. Its meetings are held the second and fourth Thursday of each month during the regular semesters.

The purposes of the DeMolay Club are to maintain the fraternal spirit of DeMolay by bringing into one circle all DeMolays in College, and by mutual cooperation and support, strengthen each member in the application of DeMolay ideals of conduct and character to every phase of student life.

The Chapel Choir was organized in 1931 under the leadership of Dr. Harold Marks and was then known as the Glee Club. When the Gideon F. Egner Chapel was erected, the group became known by its present title. Over the years, the Choir has travelled throughout the Eastern Seaboard area, singing for thousands of appreciative listeners.

The Muhlenberg College Chapel Choir, a chorus of thirty-three male voices, sang their way through another very successful concert season during 1950-51. Besides singing at Chapel Services, at special services for the Woman's Auxiliary of the College and for the Woman's Missionary Society, and at an Assembly in the Chapel, the Choir presented concerts at churches in the following cities and towns: Reading, Bethlehem, Allentown, Philadelphia, Wilkes-Barre, Royersford, Scranton, North Wales, Richlandtown, Stroudsburg, and Highbridge, N. J.

At the Christmas Season the Choir carolled within the city and at Bethlehem. Near the end of the School Year the annual banquet was held at the Germania Hotel.

The first body to take the name "Muhlenberg College Band" was organized in 1912. Professor C. Spencer Allen was the advisor. In 1927 Mr. Martin Klingler of the Allentown Band was appointed director. Since then, three professional directors have been associated with the band; Mr. Henry Sotys, Mr. Anthony Gagnesak, and Mr. Willard P. Schisler. 1948-49 brought many surprising innovations which have been thus far retained. Cedar Crest College furnished a team of majorettes; the band invested in colorful new uniforms, ran a Band Dance and participated in the inaugural parade of President Harry S. Truman.

This year the college band played at all the Muhlenberg football games. The group worked hard to provide interesting half time shows, and snappy music during the game. The band set the pace for the Freshmen and for the floats in the annual Pajama Parade. In the spring the band presented a concert under the able direction of Mr. Raymond Huston.

Although the band was limited in size, they compensated for it by their hard work and high spirit.

ALPHA LAMBDA OMEGA COMMUTERS' CLUB

The Alpha Lambda Omega Commuters' Club was formed at Muhlenberg in the Spring 1950 semester by approximately fifty town students. It is the outgrowth of a similar organization at Lehigh University, whose purpose is to unite the commuters both socially and extra-curricularly in order that they may gain the most of campus life which is possible under the strained program of a commuter.

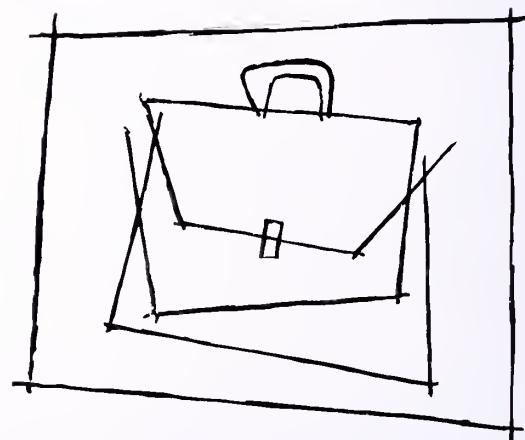

During the past year, the club has acquired the use of room in the Student Center, as a lunch room for commuters. Many of the old lockers, which had been damaged during the Administration Building fire of May 30, 1947, have been reclaimed for the use of the town students.

Socially, ALO members and their dates often gather for various informal parties. The highpoint on their social calendar is the annual "Victory Ball" with the Lehigh commuters which is held after each Muhlenberg-Lehigh football game.

Although this organization is still young, it has grown in prestige so that the commuters are becoming known on the campus. A number of ALOs hold places of responsibility in various college activities such as sports, the WEEKLY, class officerships, social and honorary fraternities, and departmental clubs.

INSTITUTE OF CHRISTIAN LIVING

The Institute of Christian Living was organized to meet a challenge. This challenge was the present world, a world in which a great percentage of the people lived in the constant shadow of deprivation and fear.

With the scene once more set and preparations completed, the second Institute of Christian Living commenced Sunday, the fourth of March, 1951, with a morning worship address, by Dr. Joseph Sittler, Jr. of the Chicago Lutheran Theological Seminary. "Everyman", a medieval drama, and Christopher Fry's "Thor With Angels" highlighted the beginning and the end of the week from March 4 to 9. Besides the seminars and bull sessions in the dormitories and fraternity houses, discussion panels were held in the evenings on "Marriage" and "Foreign Policy". Though no general theme was conceived, each day had its particular thought: "The Revelation of God", "Man Overboard", "Education Under Fire", "Frightened Nations", "Churchmanship". Those who participated on the speakers team included Dr. George D. Kelsey, Dr. Gabriel Nahas, Dr. Hagen Staack, Dr. Baruch Braunstein, Mr. Michael Harrington, Dr. G. Elson Ruff, and Dr. Earl F. Rahn.

SOCIOLOGICAL SOCIETY

The Muhlenberg Sociological Society was organized in April, 1950, to provide a closer fellowship among students interested in sociology. The organization discusses sociology in an attempt to create an understanding of the significance of the study and to develop a more scientific attitude toward social issues which concern citizens in a democracy.

The Society meets monthly to hear speakers and student discussions on topics of general interest in the field of sociology. During the college year, the Society made a trip to New York City to visit the places of sociological interest. Under the guidance of a former Muhlenberg student studying at Union Theological Seminary, the Society toured the Bowery, the mission churches on the East Side of the city, and the Museum of Natural History. In February, the Society held an open meeting inviting the college community and outside guests to hear Dr. John Otto Rinemann discuss his work with the Probation Department of the Municipal Court of Philadelphia. The Society held its annual banquet at the May meeting at which time the newly elected officers for the next year were introduced. Dr. Morris S. Greth and Mr. William Ward, the faculty members in the Sociology Department, serve as advisors to the Society.

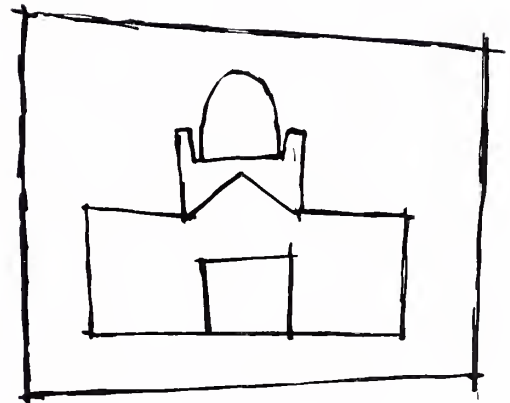

NATIONAL STUDENTS ASSOCIATION

The Muhlenberg College branch of the National Students Association was reactivated in 1950 when Student Council chose Dick Thiel and Ed Martin to represent the group at the Penna. Regional Convention of N.S.A. held at the University of Pennsylvania December 15, 16 and 17.

The organizational meeting was held the second Monday in January. Ralph S. McConnell of the English Department was chosen Faculty Advisor. Plans were laid for investigating Student Governments on the other Campuses in an effort to initiate new programs for the benefit of Muhlenberg students. After information had been assimilated from several nearby colleges and Universities the local N.S.A. group submitted proposals to Student Council. These included a system of Faculty evaluation, a class in Parliamentary Procedure, and Placement Bureau improvements.

Through Student Council, plans were made for the inauguration of these proposals. The year's activities ended with the Muhlenberg representatives playing host to the spring Student Government Clinic.

Mr. Everett G. Thierfelder
Muhlenberg College
Allentown, Pa.

Dear Mr. Thierfelder:

The wide diversified program of sports at Muhlenberg College is a constant challenge to every student. The College has given training to many men who are now the Directors of a sports program in the Schools of Allentown, and also in the recreational program of the City. Muhlenberg men hold key spots in Allentown High School, Central Catholic High School, the Junior High Schools and the City Recreation Commission. Therefore, to say that Muhlenberg College is a part of the community life of the City of Allentown is but a mild statement. Many former 'Berg graduates are in key positions in the business and professional life of the community.

In moulding the student for future life, the modern tendency in a well rounded sports program should be to harmonize the program and the general College curriculum. In attempting this procedure the college affords to all of its students the following activities: Football, Cross Country, Soccer, Basketball, Wrestling, Baseball, Tennis, Track and an extensive intramural sports program.

I'm sure the Alumni can be proud of its college and the work that Muhlenberg men are doing in the community. I do feel that the sports training these men received during their undergraduate days has stood them in well, and has been a major factor in their maintaining the respective positions they now hold in Allentown's community life.

Respectfully,

J. Birney Crum

JEC/ASH

Athletics

FOOTBALL

The 1950 gridiron campaign was opened by a veteran team of fifteen returning varsity men. With head coach Howie Baughman and line coach Tom Tripplet at the helm, pre-season spirit ran high. The Mules based their hopes on Captain Milton Dietz, George England, and Elmo Jackson.

SCOREBOARD		
<i>Muhlenberg</i>		<i>Opponents</i>
18	Bucknell	13
13	Lebanon Valley	20
21	Lafayette	6
28	Gettysburg	7
0	Delaware	0
13	Lehigh	42
13	Scranton	20
6	Albright	33

The Mules opened their season with a startling upset victory over a highly touted Bucknell eleven. With England tossing to Reed, Jackson, and Ingold, the Mules passed the Bisons dizzy. Although only one TD was tallied through the air, it was the aerial bombardment that led to the other 'Berg score. Coach Baughman's men wasted no time in setting the pattern for victory as two passes to Reed put the ball on the two yard stripe of the Orange and Blue. Jackson then knifed through the line for six points. Despite the fact that the lead changed hands four times after that, the determined Mule refused to concede to the powerful Bison, and when the gun went off ending the game, the score was Muhlenberg 18, Bucknell 13.

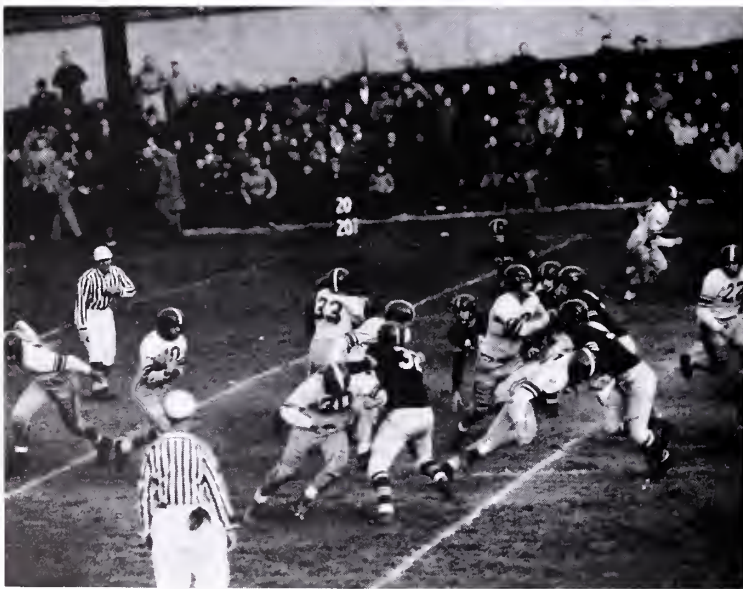

Top row—left to right: England, Boks, Reed, Miller, Landes, Kreutzberg, Doll, Ptela. *Third row*—left to right: Jaros, Mgr., Yannuzzi, Lubin, Dikon, Dietz, McKane, Piefley, Jackson, Hicks, Mgr. *Second Row*—left to right: Cardinal, Trippet, Rudayk, Sheely, Mills, Kessler, Stefkavick, Ruppert, Batt, Foster, Baughman. *Bottom row*—left to right: Dahlander, Wescoe, Jacobin, Schindler, A. Woodworth, B. Woodworth, Druckenmiller, Bermon, Ingold, Derstine.

A display of vandalism on Muhlenberg's campus by Lebanon Valley students, sent the Cardinal and Gray to the gridiron with revenge in their eyes. The Flying Dutchmen, equally inspired and aided by Muhlenberg's overconfidence due to last week's victory, took an early half time lead of 13-0. The Mule aerial attack was not up to its usual standard as the team could not seem to get rolling. During the third quarter, the five thousand fans at Allentown stadium finally saw Muhlenberg come to life. Although no scoring was done in this period, England began to find his receivers. The fourth quarter found the Mules on the Lebanon Valley eight yard line. On the first play, England ran the ball to the five and then tossed to Larry Kessler in the end zone for the first score. An interception by Pete Dolly and a pass, England to Jackson, knotted the score. The Mule defense, fooled by a sleeper play, saw Sorrentino pass to Schellenberger on the 'Berg twenty-four. Helplessly, the Mules watched him cross the goal line, untouched.

The Homecoming weekend was a complete success as the Mules skinned the Lafayette Leopards under the lights to the tune of 21-6 before 9,000 fans at the Allentown stadium. Jackson was the offensive star in Muhlenberg's triumph as he scored two of the three touchdowns, capitalizing on his great speed to break loose for runs of 61 and 36 yards. After a scoreless first period, the combination of a powerful running attack and a 47 yard pass from England to Reed carried the Mules to the Lafayette 5 yard line, where Pete Dolly took a handoff to hit paydirt. Woodworth's first of three perfect conversions completed the scoring for the half. The united efforts of Detweiler and Flemming set up the sole Lafayette tally. Thereafter, Jackson took complete control of the game by outrunning the Leopard secondary and icing the game for Muhlenberg.

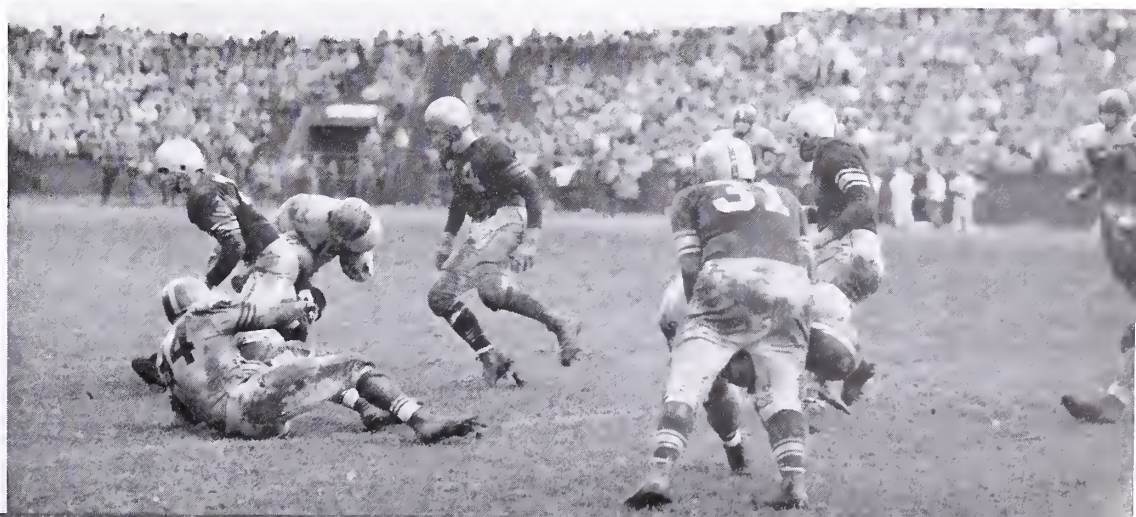

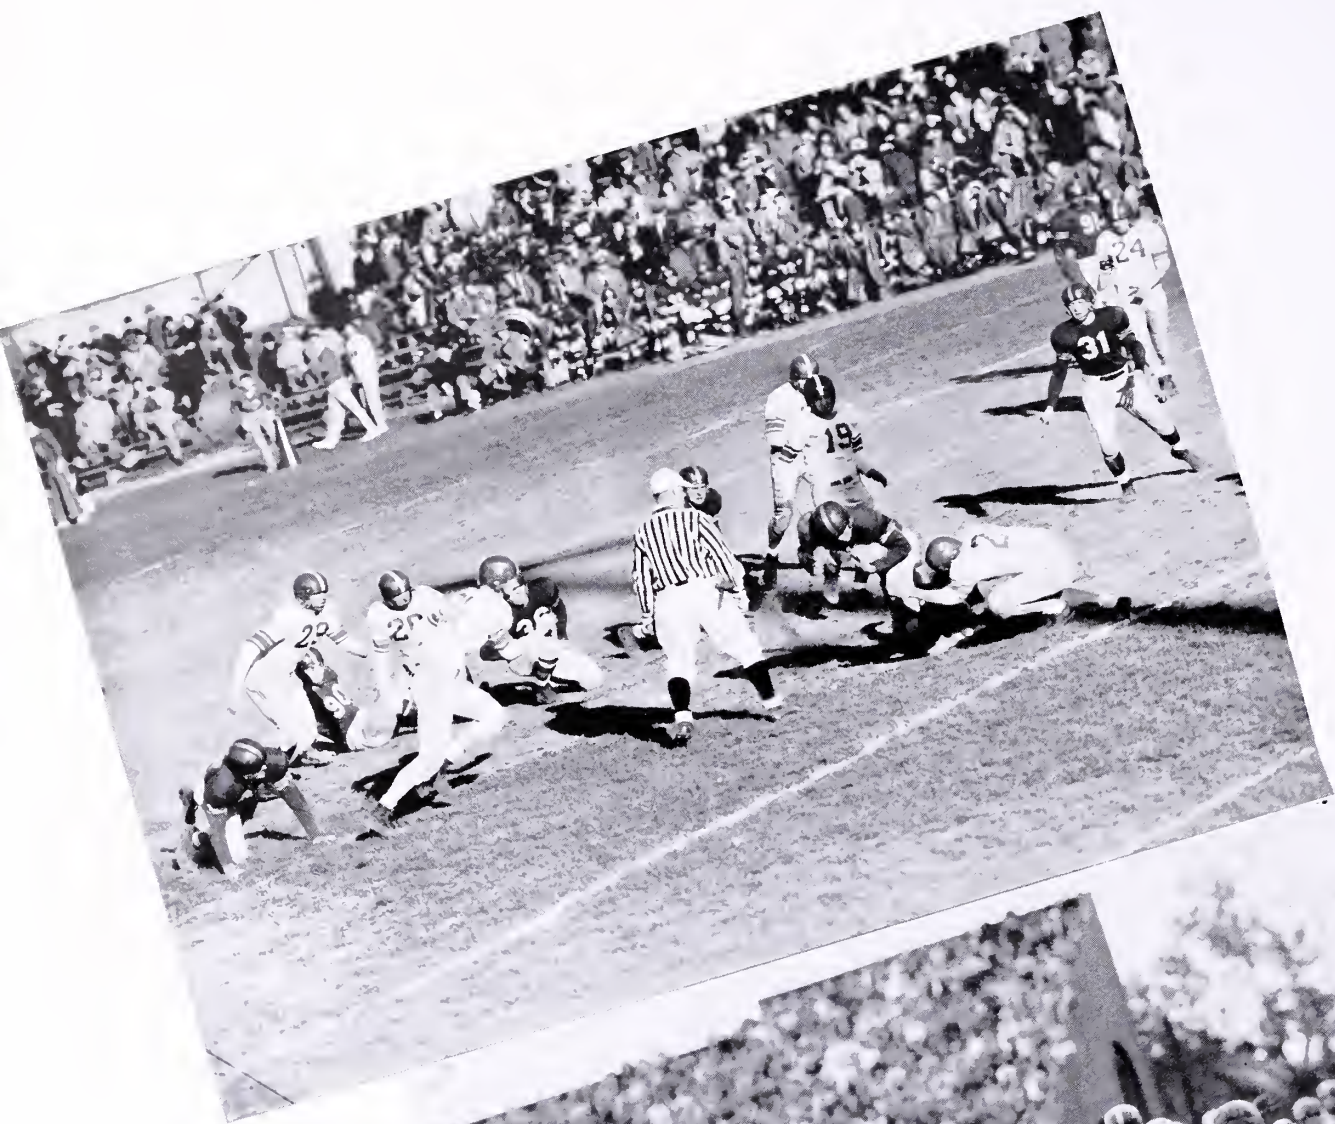

The following Saturday, Muhlenberg proved too powerful for Gettysburg as they galloped to a 28-7 victory, ruining homecoming day for the zipless Bullets. A 56 yard pass from England to Reed early in the second period began the scoring to put the Mules out in front, 7-0. On the first play of the second half, Jackson scampered through the right side of the line for a 60 yard touchdown. Six plays later, Muhlenberg began a 41 yard march to paydirt with Jackson again doing the scoring. G'burg's lone tally came when Faulkner broke away for 65 yards to the end zone. The day's scoring ended with an aerial from Mills to Reed to give the Mules a well deserved victory.

The Cardinal and Gray played host for the last time of the 1950 season as they entertained the University of Delaware. The underrated Blue Hens equaled the Mules in gridiron tactics that evening, and Muhlenberg finally had to settle for a disappointing 0-0 deadlock. Both teams threw repeated scoring opportunities out the window. Early in the first period, Jackson went all the way but this tally was nullified by a clipping penalty. Late in the game, Delaware bungled their opportunity to score as they fumbled on the 'Berg goal line, and the final score was indicative of a hard fought battle.

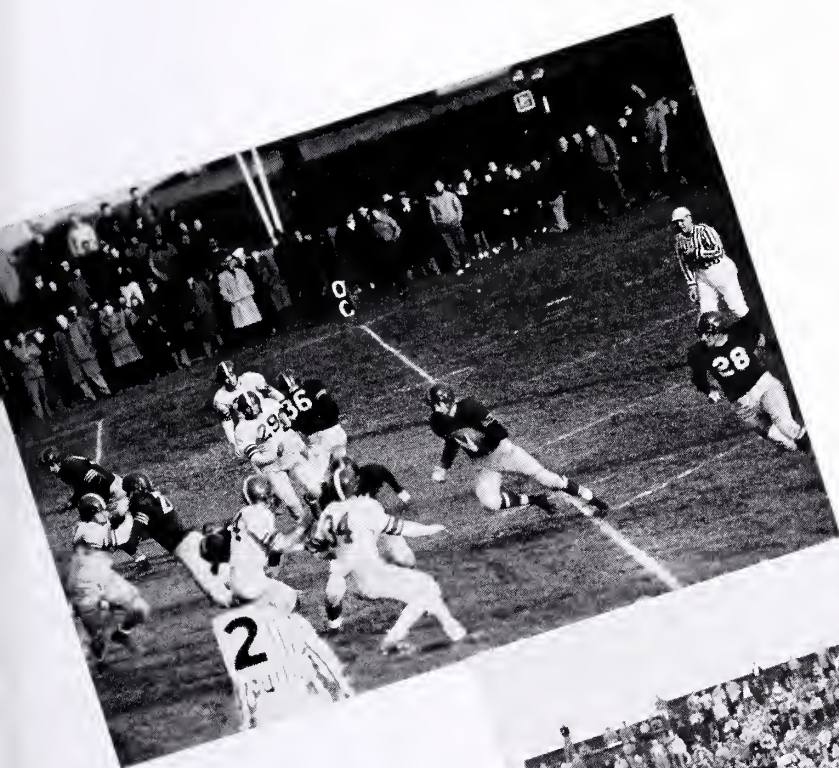

Muhlenberg invaded Taylor Stadium the following Saturday with the hope of breaking Lehigh's undefeated record. Lehigh, however, shattered this optimism by mauling the Mules, 42-13. Lehigh's one-two punch, Gabriel and Doyne, supported by down-field blocking *par excellence* dominated the game. Muhlenberg's feeble bid for fame came in the first quarter as Bill Woodworth, playing a magnificent game, racked up the first six points. A pass from Mills to Reed, late in the game, completed the Mule's scoring.

In the next game, "General Pete's" boys gambled and lost in the closing minutes of a gridiron duel with Scranton. Up to this point, the Mules were forced to fight an uphill battle as the Purple and White from Scranton, starting the game with a burst of power, took an early first quarter lead of 13-0. 'Berg's Gene Reed gathered in a pass from George Mills to make the score 13-6 and then in the third period, after Jackson took a handoff from the two to cross the goal, Woodworth's faithful toe knotted the score. An evenly balanced fourth quarter produced no score till the Mules, on their own eighteen, elected to run one yard for a first down and were stopped short. Scranton, now in possession, took to the air and on the first play unknotted the score with the winning seven points.

By the time the Allentown Collegians met their last rival of the 1950-51 season—Albright, there appeared to be no desire to win. The Lions from Reading showed no mercy to a disheartened Mule eleven and promptly blasted them out of the stadium by a 33-6 count. This loss brought to an end a season which started with Muhlenberg playing great ball and ended with the Baughman squad looking rather dejected.

FRESHMAN FOOTBALL

The yearlings under coach Lou Cardinal were a happy and proud aggregation of ball players this year, and they well deserved to be as they had won all four of their games. Lafayette, Lehigh, Gettysburg and Delaware succumbed to the power of a team which displayed not only a sparkling running and passing attack but also a strong defense.

The Freshmen gridders opened their season with a 19-14 victory over Lafayette on the home field. Despite an early Maroon touch-down, a Scarpa-Miller pass tied it up. A 62 yard run by Dave Ehlers put the Mules out in front, while a fourth period pass, Skidmore to Walters, sewed the game up.

SCOREBOARD		
<i>Muhlenberg</i>		<i>Opponents</i>
19	Lafayette	14
20	Lehigh	7
26	Gettysburg	0
9	Delaware	7

Lehigh felt the ax in the next game as the little Mules carved out a 20-7 victory. Don Cornman ripped off a 55 yard scoring sprint in the first period while Skidmore, completing two touch-down passes to Miller, took charge of the second quarter.

Next on the list was Gettysburg as Skidmore, Scarpa, Pasterchick and Tredinick sparked the little Mules to a 26-0 victory. The G'burg coach, Clyde Cole, had nothing but praise for the 'Berg frosh as he said, "The best M'berg freshman team I've seen in five years."

The yearlings proved themselves worthy of such praise by tripping the Blue Hens from Delaware, 9-7, in the final and most spectacular game of the season. A 25 yard field goal in the waning moments by Richard Cassels proved to be the pay punch of the contest. This win climaxed the first undefeated season for a Muhlenberg Freshman team.

Top row: Gallina, Trecheck, Nasta, Walters, Duffy, Jardine, Seltzer, Gravell, Bruno.
Middle row: McKinney, Ohweiler, Cutko, Jordan, Marucci, Scarpa, Hambrecht, Skidmore, Robinson, Miller, Legg, Miltner, Zarbatany, Cardinal, Coach, Kek, Mgr. *Sitting*—left to right: Rader, Slimmer, Segelbacher, Beltzouer, Schiavone, Tredinnick, Pasterchick, Carsels, Becker, Dotter, Cornman.

CROSS COUNTRY

The Mules based their cross country hopes this year on the galloping duo of Floyd Shupp and Dick Acker. However, harrassed by a lack of depth, the team finished its season with a disappointing 0-5 record and a tenth place in the Middle Atlantics.

Although Muhlenberg lost its opener to Albright by one point, the power of the Cardinal and Grey was not to be denied. Floyd Shupp, Dick Acker, and Clarence Moore placed 1, 2, and 4, respectively, but this was not enough to win as the next Mule score was tenth place.

The next trial proved disastrous as Lehigh left Muhlenberg in the dust by nineteen points, $39\frac{1}{2}$ to $20\frac{1}{2}$. 'Berg then went on to Haverford, where in a triangular meet with Haverford and Gettysburg, they again came in last. The only consolation for the Mules was the outstanding performance of Floyd Shupp who turned in a 19:21 on the $3\frac{1}{2}$ mile course for first place.

In the next two meets, Muhlenberg was defeated by a powerful St. Joseph team, 18-45, on the $4\frac{1}{4}$ mile Cedar Parkway course and then by Lafayette, 24-37, in Easton.

The 23 annual Middle Atlantic Cross-Country meet chose Muhlenberg's Cedar Parkway course as the site for this year's marathon. Thirteen colleges fielded teams for the varsity run and six colleges entered freshmen teams. St. Joseph's College easily repeated its last year's performance as they took fourth, fifth, sixth and seventh place in varsity competition for a total of 23 points while their Freshmen copped the Junior title with 42 points. The Muhlenberg varsity took tenth place, amassing a total of 255 points with Shupp again leading the attack as he placed fourteenth out of a field of 99. Ralph Jones took Freshman honors as he placed ninth in a field of 49 speedsters to give the Yearlings 4th place.

Standing—left to right: Zeiner, Thiel, Shupp, Shortridge, Moore, Acker, Coach E. Fellows. *Kneeling*—left to right: Ancora, Haney, Blumfield, Jones, Gibbs, Brooker.

In his first year as soccer mentor, Ernie Fellows found a host of inexperienced booters vying for varsity berths. The strength and backbone of the team was to be found in the experience of returning varsity men, Rollo, Funk, Offner, Kaelberer, and Eichner.

Following a non-conference loss to Seton Hall, 7-2, the Mules traveled to Collegeville, where they trounced Ursinus, 3-1. Dick Eichner and Ted Offner led the offense with the former connecting on two long shots and Offner drilling a right cross into the nets.

This victory was the only one which the Cardinal and Grey could boast of, as they went on to lose all their remaining tilts. The offense proved to be their weakness as they were shut out six times during the season.

The Brown and White from Bethlehem handed the Mules their first conference defeat, 3-1. Dick Eichner prevented a whitewash by notching the lone M'berg tally. The Mules then succumbed to a strong Swarthmore team, 7-2. Rollo and Eichner booted in the two markers for the locals.

The 'Berg booters lost their third and fourth games the following week, and worst of all, their offensive power hit a new low as the team was shut out twice, 5-0 by Lafayette and 1-0 by LaSalle.

Back on their home field, the Mules again tasted defeat at the hands of Rutgers with the Cardinal and Gray offense looking only slightly better. The 'Berg soccermen overcame a 1-0 Rutgers lead to pull ahead 2-1 just before the half ended. Eichner tallied the first score on a beautiful head shot from a corner kick and Rollo blasted a goal into the nets after the visitors' goalie dropped the ball. With a minute remaining in the half, Rutgers tied the score, tallying on a fluke. The Mule offensive was unable to get started in the second half as the men from New Brunswick went on to score two more to win.

The Mules then fell prey to a smooth working Temple team, 6-0, at Philadelphia, and Drexel handed the 'Berg booters their seventh defeat as they swamped them, 7-0, in Allentown.

Hoping to salvage another win for themselves, the Cardinal and Grey traveled to Hoboken to play a highly touted Stevens eleven, only to come out on the short end of the score, 1-0.

The last game of the season was a terrible letdown as the Mules gave Gettysburg its first win of the season, 3-0.

Standing—left to right: Beckley, D. Miller, Moss, Auman, Evans, Cerbus, Hitchcock, Mangini, Drach, Rice, Doll, Young, Mgr. *Sitting*—left to right: Coach, Fellows, Balliet, Martin, Kaelberer, Rollo, Eichner, Offner, Schmauch, C. Miller.

Attempting to regain the prestige and recognition as one of the top collegiate basketball powers of the East which it had achieved under the tutelage of Coach Clyde "Bud" Barker, Muhlenberg enlisted the services of Coach "Benny" Borgmann for the second consecutive year. In order to meet the keen competition offered by such clubs as Temple, Seton Hall, Penn, Fordham, and Villanova, Borgmann began intensive drilling of the squad while the fans were still cheering for more touchdowns. Playing for their Alma Mater for the last time were Captain Bill Baker, Al Rubbert, and Elmo Jackson.

The season's inaugural was held at Rockne Hall with the Cardinal and Gray playing host to the Moravian Greyhounds. Capt. Bill Baker set the pace as he poured 20 big counters through the bucket and played a brilliant game in leading the Mules to a 70-66 victory. 'Berg led at half time by a 36-32 count, but the Greyhounds surged to within one point of them early in the second half, 51-50. From this point on, it was a seesaw affair, and with only three minutes left in the battle, Moravian held a one point lead. The Mules then opened up and held a 68-66 edge as play entered the last sixty seconds. Baker's lay-up put the game on ice as the seconds ticked away.

Rockne Hall saw another completely Muhlenberg night on December 6, when 'Berg swamped a weak Scranton team under a 59-44 count. Highlighting the victory was Cary Smith with 14

points. With the score reading 51-29 and eight minutes to play, Coach Borgmann cleared his bench, employing reserves the rest of the way.

Bill Mlkvy and Temple University handed Muhlenberg a stinging defeat by a 76-57 count. 'Berg's Philadelphia debut was none too impressive as they showed great bewilderment against the Owls, who outshot, outhustled, and completely dominated them. Again the top scorer for 'Berg was Smith with 14 points.

Three days later the Mules found themselves with two losses as the Blue Hens from Delaware upset them at Newark, Delaware. It was Bill Utt who kept the Hens in the game as he split the nets with nine field goals and eleven fouls for a total of twenty-nine points as Delaware managed to hold the lead tenaciously throughout the game.

Playing before a partisan crowd of 3,500 at the Palestra, Muhlenberg was ignominiously defeated by the University of Pennsylvania's unbeaten basketball team. Penn, who was beaten last year by the "Borgmen", easily avenged itself to the tune of 92-52.

The Yuletide season gave the Mules a much needed rest and prepared them to meet their next opponent, Albright. In a last minute splurge, they pulled a 71-68 victory from the clutches of the Lions amidst the tumultuous roar of the Cardinal and Gray

Standing—left to right: Stianche, McLaughlin, Smith, Rizzo, Baker, Eckert, Althouse.
Sitting—left to right: Borgman, Bonacci, Hand, Ruppert, Kocis, Jackson, Tengzelius, Mgr.

rooters. The Lions attempted to freeze the ball as they led, 68-67, in the final seconds, but Rubbert stole the ball and passed to Bonacci, who put the Mules ahead with a lay-up. With 20 seconds remaining, Rubbert again stole the ball and sewed up the game with the final two pointer.

Showing the poise and fight of former Hoop squads, the underrated Muhlenberg quintet played their hearts out to pull a stunning 77-76 overtime victory over the highly regarded Lafayette cagers on their home court, a feat which 26 previous Lafayette opponents had failed to accomplish over a three year span. The sparkplug of the team was Bill Baker, whose sensational shooting, cool leadership, and rebound ability paved the way. The victory was brought home in the overtime by the combined efforts of Jackson, Bonnacci, and Baker, the latter dropping in the winning foul shot.

But the joys of victory were soon dampened when an aggressive St. Francis team stopped them 88-74, in Brooklyn. Excessive foul-ing proved to be the downfall of the Allentonians. Their defeat, however, was brightened by the sparkling play of Sophomore Dick Eckert, who led the scoring with 22 points.

Against Bucknell, back in Rockne Hall, 'Berg again picked up its winning ways by taming the Bisons in the final two minutes. Dick Eckert led the Cardinal and Grey with 18 points, all garnered on floor shots, and Bonacci sank the winning marker. The game was deadlocked thirteen times with the Mules finally gaining the advantage for their fifth win against four losses thus far.

Although they fell victim to Seton Hall in the next game, they played one of the best and fastest games of their season but choked

up in the closing minutes to allow Seton Hall to pass them and go on to win, 74-67.

The University of Connecticut followed Seton Hall's example by handing them their sixth setback of the season, 52-44. Leading 26-19 at the half, the Huskies never relinquished their lead. High scorer for the luckless Mules was Dick Eckert, who notched 14 points.

Fordham's superior height and brilliant shooting proved too much for the Mules as the Rams handed the quintet its third loss in a row on the local's court. Capt. Bill Baker championed the losers' cause by scoring 15 points. Mike Woods and Fred Christ led the Rame with 23 points apiece.

The Gettysburg Bullets stopped off at the Little Palestra the next night and found that 'Berg had finally hit its stride. Displaying their best shooting percentage of the year, the Cardinal and Gray really looked good as they hit for better than 50 per cent of their shots from the floor and 15 out of 22 from the foul line. The lead changed hands until 6' 6" Stianche, 'Bergs tallest hoopster, and Baker took over the scoring reins and built up a lead which allowed the "Borgmen" to coast home.

The team then traveled to Philadelphia to take on perhaps its most formidable opponent, the Villanova Wildcats. Muhlenberg looked good but couldn't seem to cope with the Villanova machine and lost decisively, 67-43. This defeat brought the record at mid-season to five wins and nine losses.

The Villanova setback seemed to do things for the Mules, for on the tenth of February, they completely overwhelmed St. Joseph's

by the impressive count of 72-44. After a slow start, the Cardinal and Grey gained a 6-5 advantage and never again relinquished the lead as they routed the Hawks, conquerors of Temple and Rhode Island State. The entire 'Berg bench saw action as Borgmann threw in his reserves in the second half. Rubbert's 19 points and Baker's brilliant job of holding St. Joe's 6' 7" John Whegan to 7 points were outstanding.

Lafayette, led by 5' 7" Pete Carril, avenged the previous 77-76 defeat which Muhlenberg had handed them earlier in the season by a 61-53 count. Carril was just too much for the Allentonians as he blasted his way into the spotlight with 29 points. The "Borgmen" could find little way to penetrate Lafayette's tight defense, and when the final whistle blew, the series was even at 1-1.

The following Saturday, a hard driving and well balanced La Salle quintet invaded Allentown and downed the determined but definitely outclassed Mule five, 69-55. The lead exchanged hands six times during the first twenty minutes, which ended with La Salle ahead, 32-31. In the early stages of the second half, the visitors pulled away to hand Muhlenberg their 10th defeat of the season.

In a traditional clash, they stopped their Lehigh Valley rivals, the Engineers from Bethlehem by outscoring them 85-57. Highlighting the game was Joe Stianche with a barrage of shots totaling 25, the season's high for a Muhlenberg player. In spite of the fact that Bill Baker and Elmo Jackson were sidelined by injuries, there was no question as to who had control of the game. This win notched the eighth victory for the Mules.

The "City of Brotherly Love" didn't seem too fraternal as St. Joseph's dropped the Cardinal and Grey at Philadelphia. As for the game itself, Muhlenberg trailed for the whole forty minutes. The closest they could come to overtaking the Hawks was when they cut the St. Josephs lead to two points in the second quarter. Stianche's 13 points led the Muhlenberg attack.

Some of the sting of the St. Joseph's defeat was lost, however, when 'Berg went to Anneville and managed to squeeze through an extra-period victory over a fast Lebanon Valley five. The Mules and the Dutchmen were evenly matched throughout the contest with L.V.C. leading 32-31 at the half, and when the whistle ended the regulation game, the score was deadlocked. With six seconds to go in the overtime, cool-headed Bill Baker dropped in the winning point from the foul line, to leave a partisan crowd dumbfounded.

The quintet then traveled to Lehigh University, where they trounced the Engineers in the same high-handed fashion as they had done the previous week. Paced again by Stianche, who racked up a total of 24 points, the Allentonians hit from all angles of the

court to take an easy 90-72 victory. Once again all of Borgmann's reserves saw action.

Playing its last home game before a capacity crowd of 3,500 fans, Muhlenberg succumbed to Bill Mlkvy, whose 35 points blazed the trail to victory for Temple University. The Mules played a much better brand of ball than the score indicated, as they led at halftime, 30-29; but in the last half, Mlkvy, the nation's number one scorer, blew the cover off the game and Temple went on to win, 80-57.

Unable to snap the Philadelphia jinx, 'Berg lost its fifth game out of as many attempts in the Quaker City by falling before La Salle 83-55. High men against the Explorers were Baker and Smith.

Gettysburg College provided a crushing blow to the Muhlenberg cause by soundly whipping the "Borgmen". Although the Mules crawled within five points of G'burg late in the second period, the underdogs' pace became torrid and the Cardinal and Grey gave way to a 77-64 defeat.

The following week, the curtain was lowered on the season's play with a return match with Bucknell. The hoopsters displayed some of their best basketball of the season as they took the lead in the opening minutes and held it throughout the game to win 80-62.

And so the campaign ended, perhaps not as well as was expected but laying the foundation for better teams to come. Of the twenty-five game schedule, Muhlenberg won 11 and lost 14.

WRESTLING

SCOREBOARD		
<i>Muhlenberg</i>		<i>Opponents</i>
9	Ursinus	23
16	Delaware	15
6	Gettysburg	22
19	Haverford	13
15	Lafayette	19
6	West Chester	24
16	Bucknell	14
Middle Atlantic—3rd place, 24 points		

Faced with the task of putting together a workable team, Coach Lou Cardinal began the 1951 wrestling season confidently. With only Schmauch, Sahulka and Rice returning, Cardinal had to look to his inexperienced reserves to fill the gaps. The newcomers were Bob Druckenmiller, Jack Dowman, Arland Adams, Harry Herrick, Bob Miller and Phil Levan. The most outstanding of these was Adams, who finished the regular season with an unblemished record.

The campaign was opened at Collegeville, Pa., where Ursinus downed the Mules, 23-9. The most effective performances were turned in by Miller, Schmauch, and Sahulka. In their first home encounter, the Cardinal and Grey met and defeated the Delaware grapplers by a narrow margin of one point, 16-15.

Although they lost their next encounter to Gettysburg, 'Berg's Adams decisioned Jim Woods, the defending 130 pound Middle Atlantic champion. By virtue of a hard earned victory over Haverford, 19-13, the Mule matmen evened their season record at 2 and 2. Decisions went to Rice, Miller, and Herrick. Adams pinned Atkinson in 7:55 with a half Nelson and body press while Schmauch pinned Barr in 7:30 with a crotch and half Nelson.

In the next meet, the power of the Lafayette Leopards proved to be too much for the injury riddled 'Berg men, and the following week, an always powerful West Chester State Teachers College dropped the Mules by a count of 24-6.

Lewisburg, Penna., was the site of the final contest of the regular season. There the Cardinal and Grey really had to exhibit their strength to win as they eked out a 16-14 decision with Adams, Rice, and Schmauch again displaying superb skill.

The highlight of the season came at Bucknell University in the Middle Atlantic Tournament, where Muhlenberg wrestlers came in for a large share of glory as they garnered a surprise third place. The Mules, who apparently forgot to read the advance notices slating them for sixth place, came through with two individual champions, George Schmauch and Bob Miller. The team scores were, G'burg and Lafayette 31, Muhlenberg 24, Bucknell 20, Ursinus 18, Haverford 14, Delaware 5, and Swarthmore 4.

Standing—left to right: Schmauch, Batt, Schulka, Miller, Druckenmiller, Cardinal.
Kneeling: Rice, Dowman, Adams, Herrick.

BASEBALL

Nineteen fifty one found Lou Cardinal returning to the reins of the baseball squad. Welcoming him were three lettermen and a host of promising newcomers—a thankful result of the abandonment of the Freshman ineligibility ruling. The holdovers were Capt. Carm Licursi, Fred Mazucca, and Dick Schaadt, all eager to better last year's 2-11 record.

Muhlenberg's mound hopes were vested in Bob Young, Art Henne, Dick Schaadt, Bill Kern, Dick Eckert, and Dick Gehrhardt. The inner defense was unsettled and constantly changed during the season, with the exception of Licursi, the bulwark of the team. Patrolling the pastures were Elmo Jackson, Fred Mazucca, and Freshman Jack Politt. Behind the mask was the sparkplug of the team, "Wee" Willie Wescoe.

The opening game, a 13-6 victory by Muhlenberg over Temple was climaxed by the superb pitching of Bob Young and the eighth inning home run by Elmo Jackson. Young fanned five batters in the first three innings and exhibited pin point control, giving up only one walk, and that in the ninth inning.

The story of the second game, played the next Wednesday, was altogether different as Albright's little Charley Martone gave up only three hits, and struck out ten men to shut out the Mules, 3-0.

Friday the thirteenth proved unlucky for the Mules as the Moravian Greyhounds broke a five inning scoreless deadlock with three big runs. By the time 'Berg could score, the invaders had added five more. The Mules' ninth inning rally was cut short by the Moravian bullpen to give the Bethlehemites a 9-7 win.

Cardinal's choice for the game with rival Lafayette was freshman Dick Gehrhardt. The choice was a good one as Gehrhardt scattered four hits and personally climaxed an eighth inning rally with a two run single to sew up the game, 4-3.

Standing—left to right: Wallahan, Mgr., Schadt, Kern, Young, Henny, Stranche, Mills, Latzko, Kocis, Woodworth, Navick, Mgr. *Sitting*—left to right: Coach Cardinal, Stryker, Pallit, Wescoe, Licursi, Batt, Noble, Busolits, Mazzucca, Aerhart.

1	Lehigh	3

The defeat at the hands of Delaware, 12-7, was due to erratic play and ineffective pitching as Lou Cardinal's hot and cold nine blew a 7-0 lead in the third inning. The same two factors again proved disastrous as the Mules were walloped 16-4 by Scranton University.

This erratic play promulgated major shifts in the infield. Dick Gehrhardt then pitched a rejuvenated Muhlenberg nine to a twelve inning 10-9 victory over Lafayette. Gehrhardt again won his own game as he singled home Elmo Jackson with the winning run.

In the following game, the red-capped Mules played host to the Engineers of Bethlehem. Unable to put a couple of hits back to back, the Mules bowed to the South Mountain nine by a count

of 5-1. Muhlenberg scored its only run of the day in the second inning on two miscues and a single by Wescoe.

The jinx of losing two games in a row each time before breaking into the win column, followed the Mules to Lewisburg, where the Bucknell Bisons handed the Mules their sixth loss of the season. The Allentown Collegians blew a two run lead in the eighth inning, and Bucknell moved past them to notch the victory by a 10-7 count. Art Henne was tagged for the loss as he gave up four runs after relieving starter Bill Kern.

It was Gehrhardt, the Frosh pitching sensation, who again snapped the losing streak by hurling a 14-0 shutout over Ursinus. Coach Cardinal started with a shifted lineup which featured five Freshmen: Bill Kern, Jack Pollit, Joe Busolitz, Jeff Stryker and Dick Gehrhardt. Capt. Carm Licursi was moved over to third from his regular short stop berth. The winning runs came in the first inning. Mazucca's double, Pollit's reaching first by way of an error, a stolen base, and Bill Kern's single through the box put the Cardinal and Grey out front. Gehrhardt limited the visitors to six hits and was exceptionally strong in the clutch.

Attempting to even up the series at one apiece, the Mules met Moravian at Bethlehem; however, the Greyhounds again showed effective pitching to stymie them, 3-2. Two days later the LaSalle Explorers came up from Philadelphia and handed the Mules their eighth loss of the season in a lopsided fashion, 12-3.

The St. Joseph's game finally gave Muhlenberg fans something to cheer about. The Mules came from behind in the eighth and went ahead to win in the ninth as Pasterchick climaxed the game with a spine-tingling steal of home, leaving the St. Joseph's nine in a state of bewilderment.

The season's finale was played at Bethlehem with the Mules absorbing their ninth defeat at the hands of Lehigh, 3-1.

Although this year's record of six and nine was unimpressive, the experience the newcomers gained from the keen competition will prove to be a valuable asset for a successful season next year.

GOLF

SCOREBOARD

<i>Muhlenberg</i>	<i>Opponents</i>
6 Rider	3
9 Moravian	0
6 Albright	1
4 St. Joseph's	5
8½ Moravian	½
6½ St. Joseph's	2½

The year, 1951, ushered in a new sport for Muhlenberg College, that of Golf. For the past few years, the athletic department has been trying to put a golf team on the schedule and this year, under the guidance of faculty advisers Robert J. Ruff and Richard H. Timberlake, a team was formed. The new squad consisted of Harry Ambrose, Joseph Bonnaci, Horace Cauffman, Sidney Franzblau, Jerrold Knee, Erwin Lessel, Richard Stott, and James Wills.

The team had a very successful season, winning six while only losing one. The first match was held at the Lehigh Country Club with Muhlenberg acting as the host club to Rider College. The final score found Muhlenberg winning, 6-3. The next two matches, both held at the Lehigh Country Club, were just as successful. Moravian fell by a score of 9-0, and four days later, Albright bowed out by the score of 6-1. The teams only loss came at the hands of St. Joseph's, who narrowly squeezed through a victory by a 5-4 count. The Mules finished up the season in grand style by defeating Moravian again by a score of 8½-½ and by avenging their only loss by downing St. Joes by a score of 6½-2½.

In the Middle Atlantics, the Mules placed fourth.

The highly successful season turned in by this year's squad points to a good season next year and the permanence of a golf schedule in the Muhlenberg athletic program.

Left to right: Negin, Cauffman, Stodt, Franzblau, Wills, Bonacci, Knee. Kneeling: Lessel.

TRACK

Led by Co-Captains George England and Bill Pulley, the Muhlenberg College track team expected one of its more successful seasons in years. Coach Ernie Fellows combed the Freshman class as the team's chief obstacle was a lack of reserves. The yearlings who answered the call to spring practice helped fill the gaps left by graduation.

In defeating Scranton, 76-55, in their initial encounter, the Mules captured ten first places and one first place tie out of fifteen track and field events. With a throw of 194' 9", England set a new Muhlenberg record for the javelin throw.

In the triangular meet at Bethlehem, Lehigh tallied 64 points, Muhlenberg, 55½ points, and Gettysburg, 34½ points. Paced by the Pulley, Schupp, England, Boyer quartet, the Mules gave a creditable performance, notching seven out of thirteen first place victories; however, they had to settle for second place instead of first because of a lack of depth.

This deficiency again proved to be fatal as the tracksters bowed to a good St. Joseph's team. Fellows' men won seven first places while St. Joseph's swept the 440 and the two mile and placed two men in practically all the other events.

Five men represented Muhlenberg at the 57th annual running of the Penn Relays in Philadelphia. Schupp, Stevens, Shortridge, Pulley and England could do no better than place 7th in the relays and 5th in the Middle Atlantic College class.

The following weekend in a triangular meet with La Salle and Temple on the Muhlenberg home track, the Mules placed a poor third, accumulating only 29 points while La Salle took 72 points and Temple 53 points.

On the following Saturday, the cindermen upset a favored Bucknell squad. However, it was not until the final event of the meet, the javelin throw, that the winner of the meet was known.

SCOREBOARD		
<i>Muhlenberg</i>		<i>Opponents</i>
76	Scranton	55
55½	{ Gettysburg	34½
	{ Lehigh	64
51	St. Joseph's	75
	57th annual Penn Relays	
	5th in College Class	
	7th in Relays	
29	{ LaSalle	72
	{ Temple	53
64	Bucknell	62
43 2/3	Lafayette	82½
74	Delaware	52
	M.A.S.C.A.C. Meet	
	2nd in Mile	
	3rd in Javelin	

Because of his sore arm, George England made only one pitch, while Bucknell men took four apiece. When the javelins were cleared, England had won with a toss of 185' 2" and Muhlenberg had won the meet, 64-62. Other stars of the encounter were Schupp, Pulley and Boyer. Pulley won the low hurdles, the high hurdles, and the discus; Schupp won the mile and 880; and Boyer won the high jump and the broad jump.

Running their last meet on the home field, the Mules entertained the Lafayette harriers and absorbed their worst beating of the year at the hands of the men from Easton, 85½ to 43½.

In the final inter-collegiate engagement, the team traveled to Delaware, where they defeated the Blue Hens to the tune of 74-52. The development of the yearlings showed itself in this event as it played an important part in subduing the University of Delaware.

In the M.A.S.C.A.C., the men who brought home recognition for Muhlenberg College were Schupp, who placed second in the mile run; Boyer, who took second place in the high jump; and England, who notched third in the javelin throw.

In retrospect, the season was a fair one, the Mules winning three events while losing two and placing second and third in the two triangular meets. The consistently outstanding performances of Schupp, who was undefeated in the mile save in the M.A.S.C.A.C., of Boyer in the high jump and broad jump, of Acker in the two mile run, of England in the javelin throw, and Pulley in the high hurdles, low hurdles, and the discus, are all athletes worthy of high praise.

The Frosh Quintet with coach Tom Triplett at the helm opened the door to a successful season by downing a strong Moravian J.V., 50-46. The Pony Mules continued on their winning ways by fighting off a late Scranton rally to win, 67-60.

At Delaware, 'Berg suffered its first setback at the hands of an outstanding Baby Bullet team, 69-65. Playing on strange hardwood again proved to be a jinx as the U. of P. handed the Yearlings their second defeat of the season.

Back in Rockne Hall the Mules hit their stride as they dropped the Little Lions from Albright to the tune of 52-49. However, playing away proved ruinous as the following week, the Lafayette J.V. tripped the Mules by a score of 68-61.

The Junior Hoopsters then exploded their court mastery as they registered lopsided victories over the Allentown Patriots, 79-55, and the Allentown Business College, 87-45, while in their next game, they beat Brown Prep, 58-45.

Away from home the Little Mules just couldn't win as they were edged by the Villanova first year Cats 80-78.

The Frosh quintet went on to tar and feather Bruno's All Stars, 79-48. Triplett's hoopsters fell short in the waning moments of the next game to lose a thriller, 67-66, to the Lafayette Leopards. The margin of victory was again one point in the next game, but this time Muhlenberg won by a 45-44 victory over LaSalle.

By routing Lehigh 77-59, the Cardinal and Grey quintet posted win number ten for the season. The Frosh went on to end their season in a blaze of glory by dropping Lebanon Valley, the Allentown Rockets, and LaSalle.

Muhlenberg can well be proud of its '54 hoopsters who compiled an impressive season log of 14-5.

TENNIS

Returning to make "Doc" Shankweiler's 15th consecutive year as coach a successful one were Jack Kaelberer, Bob Parker, Ed Vozella, Robert Tooker, and George Wall. The new faces on the squad were Ron Habgood, Keith Paulson, Sonny Acker, Ron Shane, Jack Borden and John Ziegler.

Muhlenberg again used the Oakmont Tennis Club as its home courts. There on April 11, they met Albright. Failure to win in the singles matches made the difference between victory and defeat for Muhlenberg as it dropped a close 6-3 decision. Scoring pairs in the doubles were Parker and Tooker, and Borden and Habgood, while the only singles match was taken by Tooker.

The Mules lost their next match to Temple by an 8-1 score.

The 'Berg net men won their first match of the season by defeating Moravian 7-1 on the "home clay". In the singles, Shane, Acker, Borden, and Tooker won with ease, but Vozella had to go three sets before winning.

The following week, the Mules were crushed by Haverford College.

The Mule net team won its second victory with a win over Gettysburg at Allentown. Parker, Acker, and Borden won in straight sets; Shane and Tooker won in three extended sets. Shane won admiration as he came from behind to take six straight games in the last and deciding set. The Mules were victorious in the remaining doubles sets to take the match, 8-1.

Handicapped by the loss of Parker and Borden, the Mules lost to Drexel in a 6-3 decision. Shane again scored for Muhlenberg in the singles event winning, 6-4, 6-4. Shane and Acker dumped Drexel's Mordoff and Press for their fourth consecutive victory. Kaelberer, assisted by Ted Lithgow, surprised everyone with a win in the third doubles event.

Muhlenberg suffered its sixth loss against Lafayette. They finished the season by losing, 6-3 to Lehigh and 6-0 to St. Joseph's.

INTRAMURAL SPORTS

Groups of spirited students who play for the love of the game; a chance to gain a coveted trophy; the efforts of Professor William Ritter in keeping the program running smoothly throughout the year; put all these together and you have the 1950-51 intramural athletic program.

The 25th consecutive year of the intramural program found ten teams vying for the football honors. These teams were divided into two leagues. ATO, PSK, SPE were runners up in League 1 while LXA, PEP, and PKT sewed up League 2. ATO and LXA battled for the championship with ATO eking out a 6-0 victory in an exciting arc-light contest.

As soon as the football season ended, the same groups with six additional teams: Bears, Beggars, Chicklets, Gremlins, NuEpsilon Jokers, and the Foreign Legion donned their basketball paraphernalia. The Jersey All Stars, the SPE's, and the Legionnaires set a fast early pace as the season began for League 1. The Foreign Legion, the Chicklets, and the Gremlins were undefeated in League 2 at mid-season. PKT and PSK, after a slow start finally worked themselves into second and third place, behind the Foreign Legion,

which emerged victorious in their league. The Foreign Legion bulldozed its way through the Legionnaires in a grueling, hard-fought match reminiscent of the football season, emerging victorious, 32-18. The PKT's won the fraternity basketball cup, edging out PSK in the closing seconds by a one point margin.

The windup of the intramural season found twelve teams battling down to the wire for the softball trophy. All six fraternities had entered teams in addition to the six other independent teams. The season's end left the Rosemark AC in first place in League 1 with five wins and no losses and ATO in first place in League 2 with the same record. In the playoff game, the Rosemark beat ATO by an 8-1 count. ATO, however, won the Interfraternity softball cup.

The intramural program has aroused much enthusiasm in the past year, and a successful future is anticipated for it.

JAMES F. HENNINGER
PRESIDENT JUDGE

JUDGES' CHAMBERS
THIRTY-FIRST JUDICIAL DISTRICT
ALLENTOWN, PENNSYLVANIA

JOHN H. DIEFENDERFER
JUDGE

Mr. Everett G. Thierfelder
Muhlenberg College
Allentown, Pennsylvania

Dear Mr. Thierfelder:

No one in the educational field treats the college fraternity with indifference. It has been and is now the subject of severe criticism and of praise bordering on adoration, both often unmerited and usually grossly exaggerated.

The reason for this praise or blame lies in the undisputed fact that the fraternity, if it has any justification for its existence, exercises a profound influence upon the life and character of impressionable young men. This influence can be for either good or evil and depending upon its character, the raw naive initiate may develop into a cynical snobbish rake or a well rounded, earnest and cultured college graduate.

While there are fraternities and chapters that have consistently maintained a record for sober recognition of their responsibility toward their members, it is generally true that neither a fraternity nor a chapter may safely be appraised on the basis of its venerable name or its past history. Its value to an initiate depends upon the character of the men who constitute that chapter at that college at that time.

The fraternity, helping a student to form closer ties of friendship not only with his fellow students but with former and later graduates forms a bond of union contributing to the college's continuity, history and program.

The dangers in the fraternity system must be faced. The fraternity exists to serve the college, not the college to supply prospects for the fraternity. The fraternity exists to intensify and broaden the lives of its members, not to restrict them. The fraternity men whose college life consists solely in loyalty to his fraternity and in association with his brothers alone, renders a disservice to himself, his fraternity and his college.

A great value in fraternity membership is the bond of fellowship with many brothers the world over who bear the same emblem and return the distinctive handclasp. Remember, however, that this is only an introduction, a right to be heard, an opportunity to prove one's self. It is not a franchise to special favor or unmerited preference.

May Muhlenberg Fraternities prosper while they serve.

Fraternally yours,

James F. Henninger

Omicron Delta Kappa is the leading national honorary activities fraternity comprising over sixty circles on college and university campuses throughout the nation. Membership is awarded to junior and senior students by invitation of the group on the basis of character, scholarship, fellowship, leadership, and service in campus life, and consecration to democratic ideals.

The purpose of Omicron Delta Kappa is threefold: First, to recognize men who have made achievements in collegiate activities; second, to create an organization which will help to mold sentiment on questions of general college interest; and third, to bring together members of the faculty and student body on a basis of mutual interest and understanding.

This year, for the first time, Omicron Delta Kappa acted as an advisory group to student council on assembly programs. A high-point in the year's activities was the national convention held in April at St. Louis, Missouri.

The convention was attended by brothers Jack Kaelbearer and Dr. Russell Stine.

Phi Alpha Theta, national honorary History fraternity was founded at the University of Arkansas on March 14, 1921 by Dr. N. Andrew Cleven and a group of history students. The fraternity's purpose is to recognize "conspicuous attainments and scholarship in the fields of history." Muhlenberg's Kappa Chapter began at Muhlenberg in February 1926 as a local history club and was admitted to the national society in 1929.

Through its requirements that the student must have a high standard of scholarship to become a member, Phi Alpha Theta has consistently maintained a high place among the honorary fraternities. To become eligible for membership, a Muhlenberg student must have twelve semester hours of history, and must be a major or have shown an interest in History. In addition, his grade in History must average "B" or better, and the general average must be above 80.

The chapter meets four times a year, at which time discussions are held, not only of historical, but also of political and economical value.

The chapter sponsors a prize for the best historical paper written by a Senior student in the college.

The Alpha Chapter of Alpha Kappa Alpha, National Honorary Fraternity in Philosophy, was founded on the Muhlenberg Campus in 1929 through the efforts of Dr. Russell W. Stine, professor of philosophy. From this small beginning, with a few interested students of philosophy, has grown what is now a national organization.

The first step toward forming a national body was taken in 1930 when the Alpha Chapter united with the Beta Chapter of the Moravian College for Men. Since 1930 numerous chapters have been added to the roll of interested students in the field of philosophic endeavor.

The Alpha Chapter meets twice a month at which time members of the Muhlenberg Faculty and faculties of other colleges and universities present papers of philosophic interest to the brothers. At some meetings student members of the fraternity present papers or the meetings may be thrown open to general discussion. The topics of the papers may be of a definite philosophic nature or they may present the evidences of the influence of philosophy in the field of art, literature, politics, theology, or social thought.

Alpha Psi Omega is a national honorary fraternity that recognizes student interest in drama and the theatre. Its purpose is to encourage and aid the production of theatrical undertakings on campus, and to acknowledge students whose interest in the stage has proved itself. Membership in Alpha Psi Omega can be achieved only by evidence of versatility in dramatic endeavor; the standards of admittance require efficiency in several phases of play production, both before the audience and behind the scenes. The candidate must show skill and ability but also a willingness to accept any role or job assigned him, and a cheerfulness to discharge any duties in the best interest of the production.

In its position as a national fraternity, Alpha Psi Omega constitutes a bond between our campus and others all over the country.

The Classical Club was begun in 1908 and is the oldest student organization at Muhlenberg College. An outgrowth of the Classical Club, the Alpha Rho Chapter of Eta Sigma Phi was organized on the Muhlenberg Campus in 1932, mainly through the work of Dr. R. C. Horn. The organization aims to provide a closer fraternal relationship among students interested in the study of ancient languages and the cultural heritage of the peoples of Greece and Rome.

During the past year the fraternity initiated five new members, heard details of Mr. Kinter's travels in Italy, held the annual Christmas meeting at Dr. R. C. Horn's home, invited Lehigh's Chapter to a joint student discussion of Greek plays and had an address by Dr. Stevens, arranged the annual banquet at which Dr. Meyer discussed Virgil's eclogues, heard Dr. Stine's comments on Aristotle's Poetics, and sent President Harold Iverson to the National Convention at Lexington, Kentucky.

Founded on the Muhlenberg campus in 1928, the Lambda chapter of Phi Sigma Iota, national Romance Language honor society, was the eleventh chapter installed into the national fraternity and the third honorary society established at Muhlenberg College.

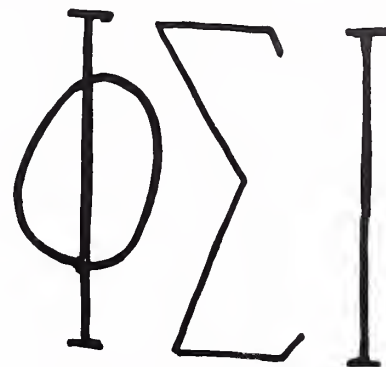

As an honorary society, the purpose of Phi Sigma Iota is to single out those students who have done outstanding work in Romance languages and to provide an incentive for others to increase their interest in modern languages. At meetings the various cultural, intellectual, and social phases of the Romance language countries are discussed and ideas are exchanged about developments going on in those areas.

At the traditional Deutsche Vercin-Phi Sigma Iota meeting, an annual event, Dr. Preston A. Barba showed colored slides of historical ruins and of the country towns he visited while in Europe during the previous summer months.

Tau Kappa Alpha is the national honorary forensic fraternity at Muhlenberg. Originally organized in 1908 by members of Indiana Universities and Colleges, it has grown to be the largest national forensic fraternity in the country.

The Muhlenberg chapter was organized in 1926 by Arthur I. Gillespie, former debating coach and Dr. John D. M. Brown, then instructor of English. This fraternity has the honor of being the first honorary fraternity organized on our campus.

Candidates for membership are chosen on the basis of scholastic and debating excellence. Participation in at least one intercollegiate debate or winning of either the Jeanne Kramer Krause oratorical contest or the Junior Oratorical contest comprise the minimum membership requirements.

FACULTY

Dr. Andrew H. Erskine

Ever since its formation in the 1920's, the Interfraternity Council has acted as the coordinating body between the social fraternities on the campus. The council has long functioned to increase the cordiality of relations between the fraternities and the administration; to lay and enforce rules governing situations that are of interest to all social fraternities.

Any social fraternity organized on the campus, obtaining the recognition of the administration and the faculty, automatically becomes a member of the council. Each fraternity elects three of its members as representatives. Officers are elected from this group on an automatic rotating basis—a different fraternity having the different offices every year. Each member fraternity pays a semester assessment of \$15.00 that can be reenforced, if the need arises, with an additional assessment on a per man basis. The council meets on the second Monday of every month in the Student Council room.

The National I.F.C. Conference held in New York City on November 24th and 25th, found itself with two Muhlenberg representatives this year. Both Bob Hafemeyer and Bill Papa brought back a number of interesting ideas on Greek Week, fraternity rushing, and the betterment of fraternity and faculty relations.

On March 1st, 1951, the council first sponsored an interfraternity minstrel show which proved to be a resounding success and which may prove to be a fraternity tradition on campus. Instrumental in this achievement was Jerry Levine and his hard working committee: Dick Thomas, Jack Rasser, Jack Lauer, Lenny Friedman, Jim McNally and Lou Soper.

The annual I. F. Dance, held at the Americus Hotel on May 4th, 1951, spotlighted Lee Vincent and his group. Choruses from every house sang their fraternity songs at intermission.

Alpha Tau Omega

Alpha Tau Omega was the first Greek Letter fraternity organized following the termination of the Civil War. It was founded in Richmond, Virginia on September 11, 1865, and in the same year the first chapter was established at the Virginia Military Institute in Lexington, Virginia. Pennsylvania Alpha Iota Chapter here at Muhlenberg was established 70 years ago in 1881 and is the oldest fraternity chapter on campus.

The past year proved to be another top-notch year for Alpha Iota. The chapter was again well-represented in many college activities and sports such as class officers, Student Council, honorary fraternities, interfraternity officers, varsity football, baseball, track, and tennis.

On the intramural scene, the chapter was highly successful. We captured the college football championship, the interfraternity football championship, and the interfraternity softball championship.

One of the most popular additions to our house during the year was a television set which was placed in the newly-completed sub-cellar. Alpha Iota also acquired a mascot in the form of a dog whom we named Lucky.

The fraternity enjoyed many wonderful social functions during the year. A rush dance and smoker were the first in a chain of memorable events. The first house party held during the football season had a general "Fall" theme. The next house party was the fabulous Christmas House Party which started off the Christmas vacation with a bang. The bedecked chapter house resembled a winter wonderland in miniature.

Highlights during the second semester included a Father and Son Banquet on February 17, the annual Founders' Day Banquet on March 31, the Junior Prom, Faculty Bridge, and the Interfraternity Ball. The Founders' Day Banquet featured the Thirtieth Anniversary of the founding of the committee which laid the plans for our house. H. Sherman Oberly, a Muhlenberg graduate and now president of Roanoke College, delivered a stirring address.

As the college year draws to a close, we at Alpha Iota look back at the memorable events, but at the same time we look forward to more events in the future, which will bring our brother fraternities, our student friends, and ourselves together once again.

Lambda Chi Alpha

The Nu-Epsilon Zeta, at Muhlenberg College, has been a part of the social life of the campus since September, 1920, at which time Theta Kappa Nu merged with Lambda Chi Alpha to form the present chapter. Lambda Chi Alpha, formed at Boston University in 1909, is now the largest national fraternity with 140 active chapters.

The Muhlenberg chapter house at 407 North 23rd St. has been the home of Lambda Chi since the inception of our chapter in 1940. Since that time we have made continual improvements throughout the house until we now have an adequate, comfortable home which houses nineteen brothers easily. The commissary with its cook serves three meals daily to twenty brothers and pledges during five week days.

The 1950-51 college year brought with it a host of improvements to the chapter house. A great deal of new furnishings were purchased which included the replacement of study desks with new ones of a much better quality. Many of the rooms were redecorated as well. It seemed to be the purpose of the brothers not only to create a good social life for themselves but also to keep the house in excellent condition at all times.

The year's social events began with a party, including a buffet supper for the alumni of Muhlenberg College who were active brothers of Lambda Chi. The party was a part of the Home-Coming Week-end which is presented every year by the college.

The annual Fall Formal of Lambda Chi Alpha fell in October and was held in the Americus Hotel. The following night saw the house superbly decorated and filled with games, fun, and music.

As Christmas approached, the annual Christmas party for the children of the Good Shepherd Home was again a success. The children played games and ate all of the cake and ice cream their stomachs could hold and the others and their dates seemed to enjoy it as much as the children.

The Junior Prom brought with it the usual splash of decorative color and gaiety. The following night witnessed a great deal of chaotic glee and joyful bedlam at the Lambda Chi House. Another house party was held on the week-end of the Inter-Fraternity Ball.

In the latter part of May, the fraternity organized its usual spring picnic. It was a combined clam-bake and hot dog roast and included swimming, refreshments, food, and other entertainment.

Phi Epsilon Pi

Alpha Nu Chapter of Phi Epsilon Pi was installed on the Muhlenberg Campus on February 6, 1932 as the result of the dissolution of Sigma Lambda Pi which was installed at Muhlenberg in 1926.

The 1950-51 year was busy and successful for Alpha Nu Chapter, socially, scholastically, athletically, and fraternally. Our Fall rushing program culminated in the pledging of a group of freshmen who have become valuable assets in all fraternity undertakings.

Thanks to the capable chairmanship of Dave Solomon, our social year led the way on the Campus. In addition to various house parties, exchange dinners, and Saturday night affairs our Chapter planned two main parties for the early part of the year and one for the latter part. The first was our Fifth Annual Phi Ep "Sweetheart Dance", an affair which has now become one of the major events of the social season. The other event was the Interfraternity Weekend in May. Following a formal dinner and dance on Friday evening, the Chapter held a gala afternoon and evening affair,

featuring a quartet and two comedians. The house was not only crowded with Phi Eps' and their dates but with representatives of other fraternities and their dates. For this weekend, the Chapter house was the bright spot on Campus.

The Fall term of 1951 saw Phi Ep continuing at its social peak with a sparkling Homecoming Week-end. Though many spirits around campus were dampened by the weather, Phi Ep paid no heed to the elements and had a hay ride followed by an evening of dancing, ending with a jazz session featuring Willie Restum. Thus Phi Ep again concluded a successful social calendar.

In this year as in past ones, the Fraternity was represented in all campus activities. Class offices, intramural sports, school publications, Interfraternity Council, the radio station, and student council were all aided by Phi Ep men.

Thus, under the leadership of our Superior Chester Miller, Alpha Nu completed another banner year.

Phi Kappa Tau

In 1906, a group of non-fraternity men on Miami University campus at Oxford, Ohio, endeavoring to combat a vicious political machine, organized to form Phi Kappa Tau Fraternity. Since then the fraternity has spread throughout the country until today it boasts 70 chapters. Eta Chapter, formally installed at Muhlenberg in 1918, had previously been the Alpha Sigma local fraternity.

Under the capable leadership of John Lawrie, the fraternity enjoyed a most successful year socially, athletically, and scholastically.

Highlighting the social season of the fall term was a house party held in conjunction with the Senior Ball. The spring term will be remembered for its Junior

Prom and Interfraternity houseparties climaxed by our annual Spring Formal held at the Brookside Country Club.

Outstanding among the fraternity's athletic achievements was the winning of the Interfraternity basketball trophy. The fraternity finished second in the softball league, and in its scholastic standing among the other fraternities.

As has been the custom in previous years, the fraternity once again entertained the orphans from the Good Shepherd Home with a Christmas party.

In general, Phi Kappa Tau can proudly review the past school year, for much has been accomplished toward a stronger and more vigorous fraternity.

Phi Sigma Kappa

Phi Sigma Kappa was founded at the University of Massachusetts on March 15, 1873. Upsilon Triton Chapter of Phi Sigma Kappa began as a colony on the Mullenberg Campus on March 29, 1949. Growing rapidly the chapter was formally installed into the Brotherhood of Social Fraternities on October 21, 1949.

The chapter started its social season with an alumni dance on October 14. On November 4, an anniversary dance was held at the house. Both formal and informal house parties were held throughout the year. Everyone joined in the fun at the Sadie Hawkin's Day Dance on November 11. On April 20 the guys and gals stepped

to the music of the "Moonlight Girl" Ball at the Brookside Country Club. After final examinations the chapter had an informal get-together in the nature of a clambake, honoring the chapter's graduating seniors.

This chapter has again gained possession of the interfraternity scholarship cup. The fraternity has maintained the highest scholastic average for the past three consecutive semesters, and thus retains the scholarship cup permanently.

Through fraternity, this chapter seeks to promote brotherhood, to stimulate scholarship, and to develop character.

Sigma Phi Epsilon

The campus of the University of Richmond, Virginia, was the birthplace of the first chapter of Sigma Phi Epsilon on November 1, 1901. During the ensuing half century, the fraternity has grown to become the eighth largest in the nation with 112 chapters spread from coast to coast.

Pennsylvania Iota chapter of SPE was installed at Muhlenberg on April 8, 1938, when the Delta Beta chapter of Theta Upsilon Omega followed the lead of the national TUO organization and merged with Sigma Phi Epsilon. For several years the chapter resided at the old TUO house, 407 N. 23rd St. In 1940, the brothers moved to the former Delta Theta house on N. 26th St., where they remained until the chapter was deactivated because of World War II.

It was not until 1946 that the chapter was reactivated, mainly through the efforts of a former pledge. In these post-war years, Sig Ep grew so rapidly that at Christmastime, 1947, the members were able to move in to the former Theta Kappa Nu house, 2215 Gordon St. During the past four years, many Sig Eps have passed through the doors of this house. A peak was reached in 1950 when a total of 66 actives were on campus.

The chapter anticipates the return of 32 actives and 4 uninitiated pledges this fall.

Extra-curricularly, Sig Ep has been represented by men wearing the "Varsity M" for achievement in football, baseball, basketball, soccer, track, tennis, and

wrestling. The fraternity has also participated in all inter-fraternity and intra-mural sports.

The highlight of social activities for the past year was the beginning of a Saturday evening date night, a get together for real enjoyment. Dancing and refreshments were on hand for all comers. Interspersed throughout the year, were several successful houseparties. Throughout the coming semesters the social committee will endeavor to continue such social events at the Sig Ep house.

Penn Iota began the 1950-51 year when it won the IFC Homecoming Float trophy for its entry in the annual pajama parade. The famed Sig Ep Quartet also brought home honors when it was named as the best fraternity quartet at the I-F Ball. The top accomplishment for the brothers and pledges of Sigma Phi Epsilon was the winning of the Inter-fraternity Scholarship Cup for the Spring Semester. The house achieved an overall average of 80.61 per cent, more than one full percentage point above the all-men's average of 79.25 per cent.

As the school year closes, the brothers of the Golden Heart of Sigma Phi Epsilon are already anticipating another new year of even greater things to come, made possible only through the harmony and cooperation of the brotherhood, itself, and through the extension of the hand of friendship to their brother fraternities and student friends.

The School Annual

School and college annuals are changing. More thought is being given to typography and layout. More attention is being given to photographs as to backgrounds and composition.

Yearbooks of the future will continue to serve their readers as a history of the year's educational activities at their schools, completely told in picture and story, well printed and illustrated and durably bound in permanent form.

We here at The Kutztown Publishing Company are keeping up with the changing times and we feel that our books are improving from year to year.

We cherish the confidence placed in us by the staffs at the schools we have been serving for many years and we welcome into our family this year a few new ones.

Our services include both letterpress and offset. We are doing several books this year entirely by the offset process and in several others we are doing sections by offset.

We are pleased to list some of the books we are producing this year: Princeton University, Lehigh University, Muhlenberg College, Albright College, Moravian College, Norristown High School, Tamaqua High School, Lansdale High School, Reading Central Catholic High School, Slatington High School, Hamburg High School, Plymouth High School, Kutztown High School, Wyomissing High School and Kutztown State Teachers College.
